## **Multi-Tiered System of Support for Behavior (MTSS-B) is being implemented in all Omaha Public Schools and Programs.**

### ***We believe...***

We cannot “make” students learn or behave.

But we CAN create environments to increase the likelihood that students learn and behave.

We CAN create environments to increase the likelihood of positive behaviors occurring.

These environments are guided by a set of standardized practices implemented with consistency and fidelity.

MTSS-B is a problem-solving framework for teaching desired behaviors in each school. MTSS-B utilizes consistent practices that have tiers of increasingly intensive supports to increase the likelihood students are academically, emotionally, behaviorally and socially successful.

### ***With consistent implementation, Multi-Tiered System of Support for Behavior***

- Improves the school climate
- Reduces aggressive behaviors
- Reduces major disciplinary infractions such as suspensions
- Improves concentration, positive social behavior, and emotional regulation
- Improves academic achievement.

***If you would like more information about how MTSS-B is implemented in your school, contact the building principal.***

## History of Omaha North High Magnet School

The building opened in September, 1924 at its present Omaha location. The original school was near the site of the present building at 31st and Paxton Boulevard. Throughout its long history, the school has had a fine tradition in scholarship, athletics, and the arts. This fine tradition will continue into the future as Omaha North High Magnet School serves the youth of this community.

Omaha North High Magnet School has been a member of and accredited by the North Central Association of Colleges and Secondary Schools since 1939. The School received a "AA" accreditation rating with the Nebraska State Department of Education, the highest rating of schools in Nebraska. The National Honor Society of Secondary Schools Charter was granted in 1925.

Omaha North High Magnet School is a Science, Technology, Engineering, and Mathematics (S.T.E.M.) Magnet. All departments emphasize the role of technology in our changing society. Students are encouraged to reinforce skills or engage in extension activities.

Omaha North High Magnet School continues its tradition of educational excellence that has been a part of the school throughout its entire history. The vision of Omaha North High Magnet School as an educational leader in the Omaha community remains.

## School Improvement Goals

Omaha North High Magnet School's School Improvement Plan (SIP) is the strategic plan for school improvement and accreditation of the Omaha Public Schools. The SIP process is designed to help schools to:

1. Promote and increase daily student attendance and reduce tardiness throughout the school year.
2. Increase the number of high school graduates that are college, career, and civic ready.
3. Engage in ongoing data-based decision-making and solution planning to decrease exclusionary discipline practices.
4. Increase the number of wellness strategies implemented district-wide.

### SIP GOALS

- Academic: Ensure daily implementation of shared and guided instruction.
- MTSSB: Teachers will use specific positive feedback with students (4 to 1 ratio) regarding academics and behavior.
- Attendance: Increase the "not-chronic" attendance rate by 2%.
- Wellness: Promote wellness and care for self and others.

## Counselors

The counseling offices and Guidance Resource Center (GRC) are located in Room 118. Students are assigned a counselor by the first letter of their last name. In addition to receiving assistance from their assigned counselor, students are also provided guidance services from counselors specializing in the Academic, Career, and Personal/Social domains. Students may see a counselor before and after school, or they may complete a Request to See Counselor form in the GRC, scan the QR code outside the GRC, and place it in the counselor's mailbox. The Request to See Counselor form may also be filled out by e-mail. The counselor will then send for the student as soon as possible. A response counselor is available to help students, parents, and staff with daily needs or concerns. Counselor alphabet assignments will be communicated in the Fall.

## Attendance/Absence Policy

Student attendance in school is the key to learning. **A parent/guardian must call our attendance office (531-299-2708) each time you are going to be absent.** Absences from school have a substantial negative effect on academic performance. The goal is for each student to be in class every day on time. The Omaha North High Magnet School's Attendance Office is located in the Viking Center. The Attendance Office opens each day at 7:30 a.m.

- If a student is absent from school, the parent/guardian is expected to call the school before 9:00 a.m. to report the absence. If no phone call is received from home or there is a question regarding the source of the call, the Attendance Office will make attempts to verify the absence on the same day the student is absent from school.
- Students who check out of school during the day must bring a note signed by the parent/guardian explaining the reason (other than doctor or dental appointments) for the absence to the administrator's office before 7:30 a.m. A call will be made to verify the note.
- The Nurse will confirm parent/guardian notes for all doctor and dental appointments before school begins or before students leave.
- **Any student leaving the building for any reason must have both parent and administrator/nurse permission.** Students must then sign-out at the attendance office window and sign-in upon return. Failure to follow this process will result in a referral to the student's administrator.

- **Omaha North High Magnet School DOES NOT HAVE AN OPEN CAMPUS.** Students are not to exit the building during the school day for any reason unless they are supervised by staff as part of a class activity.
- Make-up work will be accepted for all absences except for truancies. Students will be allowed two (2) school days for each day of absence to complete make-up work. When it appears that the student may be absent three (3) or more consecutive days, a parent/guardian may contact the counseling center to request assignments. Teachers will be notified and given at least 24 hours to submit the requested homework. Students are encouraged during an absence of three (3) or more consecutive days to utilize email to contact their teachers. Students are responsible for completing all make-up work.
- Students must bring a doctor's note to the School Nurse if they need to request permission to be excused from their physical education classes. The note must explain the nature of the illness and indicate its duration.

## **Adult High School**

Students may attend summer and/or night school to make up courses failed during the regular school term. Students must have an enrollment form from their respective Omaha North High Magnet School counselor before they will be allowed to enroll at the school where they will attend classes. Announcements will be made concerning registration procedures. Students should check with their counselor for updated schedules and costs.

## **Alternating Block Schedule**

Omaha North High Magnet School initiated the change to day block scheduling in 1996. It has proven to be successful. We are continuously evaluating and updating our system. Students start spend 90 minutes in 4 classes on an "A" day or "B" day. The class periods meeting on an "A" day are 1, 3, 5, & 7; and for a "B" day are 2, 4, 6, & 8. Students earn credits in the traditional method, one credit per class per eighteen weeks. The block scheduling approach gives each individual and instructor opportunity to become creative, innovative, inventive, imaginative, and productive with less stress and more time to accomplish curriculum goals.

## Computer and Media Centers

The Omaha North High Magnet School Media and Computer Centers assist the staff and students by providing materials to supplement classroom instruction and a quiet place in which to use these materials.

The Computer Center is open from 7:00 a.m. to 3:30 p.m. on school days with staff available for technical assistance needs for school-issued devices.

Technical Support Staff can also be contacted via email at North-TS@ops.org.

The Media Center hours are 7:00 a.m. to 3:30 p.m. on school days.

Coming to the Centers is a privilege: Students may not infringe upon the rights of others to have a place to study. Food and beverages are not allowed.

Books and magazines are available for checkout. The student is responsible for any item checked out until it is returned to the Media Center. If materials are lost or damaged, the fine will be the cost of replacing the materials.

***Printing will be limited to pre-approved school items only.***

## Detentions

Detentions will be served in the room designated by the teacher or administrator. Students are expected to report to the detention area with study materials for the entire period. Failure to report for an assigned detention will result in further disciplinary action.

## Elevators

Elevators are located at the west end of the middle wing, near the Media Center at the south end of the building, in the Haddix Center Wing, and in the Multi-Purpose Center. If a student is physically unable to use the stairs, a permit will be issued by the nurse to use the elevator. If a student requires the use of this equipment, a permit will be issued by the nurse for elevator use.

## Fund Raising Activities

Selling candy or food during the school day for personal profit or for an outside organization is prohibited. Only sponsors of approved Omaha North High Magnet School organizations may initiate fund raising by submitting a fund raising application to the Activities Director. Please refer to the District's Nutrition Services for Smart Snack guidelines.

## Hall Passes

Only official hall passes that include name, time, date, and a staff signature will be honored. Student passes are used when a student needs to be excused from a study hall or class to go elsewhere in the building. Students should not be in the halls during class time without a valid pass signed by a teacher or an administrator. Any staff member may ask to see a hall pass. Failure to cooperate will result in disciplinary action.

Students who abuse hall privileges or are habitually in the hall without a valid pass may be placed on a No Pass List. Students who are on the No Pass List are denied all pass privileges and may not be in the hall during class time without an adult escort. **NO STUDENT IS TO BE ALLOWED in the hall the first ten or last ten minutes of each class block.**

## Homework Guidelines

Students are expected to be in school every day. Employers expect perfect attendance and so do teachers. In the case that a student is ill, please follow these guidelines:

1. Students should get contact information of peers (who take good notes and listen) in EACH of their classes at the beginning of each semester. This is a good way to get class notes and homework. Also, many teachers store classroom notes, assignments, and other materials online through Teams, Canvas, etc. Students should communicate with their teachers to find out how to access classroom items on their own.
2. If a student becomes ill at school, we recommend they take their educational materials with them.
3. Students who return to classes the next A or B Day following an absence should talk to their teachers when they return to school to get their assignments.
4. **If a student will be out of school more than three (3) consecutive days, please call the student's counselor to request homework.** Please allow 24 hours for teachers to respond to homework requests. Upon request, please notify the counselor what materials may be needed. Materials/Assignment transfers can be made through the main office. Homework left in the Main Office will be given to the teacher. Some teachers post homework assignments on the homepage or on web pages. Students and parents will be informed of this access.

## Honor Rolls

To be eligible for the honor roll, each student must:

- a) maintain a 3.0 minimum grade point average
- b) be enrolled in four (4) or more courses
- c) not receive an "F" in any current semester course.

The levels of Honor Rolls are:

- Viking Golden Achievement (3.00 - 3.49)
- Viking Medallion Honor (3.50 - 3.99)
- Viking Honor (4.00 and above)

## I.D. Cards

All students attending Omaha North High Magnet School will be given a student I.D. card.

- **It is highly recommended that students have his/her student I.D. at all times.**
- **The I.D. card will not be honored at athletic events unless it has an activity sticker.**

## **Late School (LS) and Lunch Detention (LD)**

Both Late School (LS) and Lunch Detention (LD) are available as alternatives to SSC for students who are truant or tardy to class. LS hours are after school from 3:15 to 4:15 p.m. A LD will be served during a student's assigned lunch period. Students are expected to be on time and to have something to work on or to read. No communicating (verbal or written) between students is allowed. No electronic devices are allowed. Failure to serve or to meet the expectations will result in further consequences.

## **Lockers**

Students may request a hallway locker through their Viking Time teacher at the start of the school year, which will be processed by our Data Administrator. Upon checkout, students are to use only their assigned locker and not change lockers without administrator permission. The school will assume no responsibility for any contents of the locker being lost or stolen. Graffiti or vandalism of lockers is a violation of the Code of Conduct. Lockers are subject to search at any time by school officials.

## **Lost & Found**

A lost and found area is maintained in 3 sections of the building, 1) Curriculum Center for books, 2) GRC for clothing, 3) Main office for personal items such as keys and purses. Found items may be turned into the Main Office. Inquiries about lost articles should be made with the secretary in the Curriculum Center.

## **Lunch Information**

- **Omaha North High Magnet School does not have an open campus. Students may not leave the grounds during lunch. Students will not be allowed to eat restaurant or "fast food" meals in the cafeteria or Viking Center. Students in possession of these items will be referred to an administrator.**
- **Food and beverages are not to be consumed in classrooms except under special circumstances for which a teacher has received administrative approval.**
- **Lunches are assigned by class and students are to eat in their specific assigned area.**

## **National Honor Society**

1. The National Honor Society shall consist of eleventh and twelfth grade students chosen by the Omaha North High Magnet School selection committee with the assistance of the faculty-at-large.
2. The student must meet the academic standards set by the constitution of the National Honor Society and earn at least a cumulative GPA of 3.5 or better.
3. Membership is based on scholarship, character, service, and leadership to school and community.
4. All students who have qualified academically will be rated anonymously by the faculty-at-large.
5. A student who receives unsatisfactory or poor ratings will be reconsidered by the selection committee at a later date.
6. Each member must maintain the standards of scholarship, service, leadership, and character that were used as a basis for the member's election.
7. Failure to abide by any of the above criteria may result in removal from the National Honor Society at Omaha North High Magnet School.

## **Parking Regulations – Cost \$40.00 per year – Be Responsible**

### ***Rules Regarding Student Driving, Parking, and Parking Area use:***

1. Only juniors and seniors who have accumulated at least 24 credits may use the parking lot.
2. Parking is strictly limited to the student parking area (THE NORTH PORTION OF THE LOT). Faculty parking (south portion) is not to be used by students. Violation will result in the vehicle being ticketed and towed away at the owners' expense. Towing expenses run about \$130 to \$150.
3. Automobiles are to be parked one car per stall.
4. All students must be licensed and covered by insurance. The school is not responsible for the automobile or its contents. Students must show a proper registration and proof of insurance in order to get a parking permit.
5. Student vehicles may be subject to search if there are reasonable grounds to believe that drugs, alcohol, stolen property, or other contraband might be present in the vehicle.
6. Parking regulations are strictly enforced. It is considered a privilege to park on school grounds. Suspension of parking privileges, parking tickets, towing of vehicles, and/or suspension from school may occur when violations of these regulations occur.
7. Juniors and seniors applying for and receiving permits should fully understand their responsibilities in following these rules. The parking sticker must be displayed in the vehicle.
8. Parking ticket fines will be \$10.00 for illegally parked cars. Cars will be towed away at the owners' expense, on the third violation. Parking permits are not transferable. Discounts are not offered for parking permit purchases during the second semester. A decal will be posted on vehicles that do not comply with parking lot rules.
9. Having a parking sticker does allow a student a parking slot in the lot at the YMCA.
10. Unauthorized parking at the YMCA will result in vehicles being towed at the owners' expense.
11. Unauthorized parking at Skinner will result in vehicles being towed at the owners' expense.
12. Students will not be permitted to loiter in and around cars in the parking lot before and during the school day.

## **Registration/Schedule Changes**

Counselors register students in the spring for the following year. A student will have two opportunities to select courses:

1. At the time of the first registration.
2. Following the original registration when the student receives a copy of courses selected.

Course registration changes for the following year will be made only:

1. If the course was completed during summer school.
2. If the student must repeat a course that was failed during the previous school year.
3. If a conflict in the schedule cannot be adjusted without dropping or changing a course.
4. If the student needs an additional course to meet credit requirements.

Dropping a course after the first 15 days of a semester will result in a grade of "F" which is included in grade point average computations. Requests to drop a course will be initiated by the student or parent/guardian to the counselor.

## School Service (Aides)

Student aides are selected by school administrators, counselors, and teachers. To be eligible for an aide position, the students will adhere to the following:

1. Must have all passing grades in all classes.
2. Must not be absent more than five (5) days per semester.
3. Maximum assignment to be one block per day.
4. Must conduct themselves in a manner which is a credit to the school.
5. Must remain at the duty station throughout the period and report prior to the tardy bell.
6. Must wear identification badge while on duty in the GRC, Attendance Office, Nurse's Office, or Main Office.
7. May not be in the halls during the first 10 minutes or last 10 minutes of a class block.
8. The privilege of serving as a student aide may be removed if assigned to SAS, SSC, or suspended.

## Senior Scholarship Night

Omaha North High Magnet School seniors are recognized for academic achievement resulting in scholarship selection. This program is made possible through the combined efforts of many Omaha North High Magnet School staff, PTO members, and community members.

## Shortened Day

Eligibility and procedures:

1. 11th and 12th grade status only.
2. Student must be on track for graduation.
3. Students must provide transportation to and from school.
4. Students must have an overall grade point average of 2.0.
5. Counselor will give the student a request card which must be signed by a parent or guardian.
6. Request cards will be kept on file in the counselor's office.
7. Exceptions to the stated policy will be granted only by the student's administrator.
8. Students who fail to leave the building and/or grounds after their early release will face disciplinary action.

Students should consider the opportunities, both in the classroom and in co-curricular activities, that are missed by opting for a shortened day.

## Student Success Center (SSC)

The Student Success center (SSC) has been provided to students as an effort to keep students in school and to minimize absences due to suspensions from school. Students are assigned to the center by an administrator as outlined in the **Student Code of Conduct**. SSC hours are 7:40 to 3:05 p.m. (students will report to 3rd lunch). ***Length of time assigned will be determined by the assigning administrator.*** In the SSC room, students work in a closed classroom environment which minimizes distractions and allows them to focus on their needs both academically and socially. Components of the SSC include individual guidance and instruction on writing skills, study skills, social skills, and conflict resolution. The center encourages students to accept responsibility for their actions. ***SSC will be denied as an alternative to a suspension if the student continues to demonstrate unacceptable behaviors. Repeated violations of the Code of Conduct may result in suspension, long-term suspension, reassignment, or expulsion.***

## Study Halls

Students will observe the following study hall regulations (teachers may assign additional rules at their discretion):

1. Students in the study hall must have necessary items with them for study purposes.
2. Reading material must be appropriate.
3. Students should take care of their restroom needs during passing periods since restroom passes will be given in an emergency only.
4. Students wishing to see a teacher other than their study hall teacher must have previously obtained a pass from that teacher in duplicate. If the student is to remain with the teacher all period, this is to be indicated on the pass; otherwise, the student is to return to the study hall with the pass signed by the teacher indicating the time that he/she left the classroom. Only in an emergency will study hall teachers initiate passes for students.

## Tardy Policy

Omaha Public Schools are currently counting absences in **minutes missed**. This means that tardiness **and single class absences also count**. Although the tardy policy will start over at semester, **these minutes are added up into school days and do not start over at semester**. Absences are accrued all school year. Therefore, every minute counts. Be on time! Excessive tardiness will result in staff and/or administrative consequences including LS and LD.

### **Procedures for tardiness to school and to class are as follows:**

Omaha North High Magnet School tracks attendance in infinite Campus. Any Omaha North High Magnet School student in the hallways after the 7:40 a.m. tardy bell will scan the QR code for a.m. tardies using their school-provide iPad/device, or their phone, which are located that security desk, attendance window, or inside the door of each classroom. The time-stamped email sent to the student after the survey is completed with the QR, serves as the students pass and can be shown to the teacher upon entry.

Students are expected to arrive to each class on time.

\*Continued tardiness may result in further consequences for excessive absences including additional staff and/or administrative consequences, referral to counselor or tardy SAT conference with Attendance Team and referral to County Attorney.

\*The tardy policy is subject to change per school administration. Any changes will be communicated to parents, students, and staff.

## Transition Program

The Omaha North High School Transition Room is one tool for administrators to support cumulative, ongoing, frequent discipline concerns. In the Transition Room, students will be in a highly structured environment where they will work on social skills, core academic coursework, silent sustained reading, writing skills, and will receive appropriate, positive interventions. Emphasis is placed on examining the misbehavior, the consequences of the misbehavior, and strategies to make more appropriate choices in the future, as well as working on core credit courses. Teachers in the Transition Room will provide opportunities for students to practice good behavior, to accept responsibility for their own choices, and to earn an opportunity to return to a regular student academic schedule.

## Transportation

### **Late Activity/Athletic Bus School Procedures**

1. Students must be eligible for OPS transportation under the Student Assignment Plan.
2. Students must be staying after for a school-related activity.

## Academics, Curriculum, & Instruction

### Academic Integrity Position Statement

Academic integrity is a fundamental component of teaching and learning. Maintaining high standards of academic integrity ensures the sustainability of the OPS educational process. Therefore, students are expected to commit to and be responsible for demonstrating the five fundamental components, even in the face of adversity:

- |              |                    |
|--------------|--------------------|
| 1 · Honesty  | 4 · Respect        |
| 2 · Trust    | 5 · Responsibility |
| 3 · Fairness |                    |

The following activities show a lack of academic integrity: cheating, collusion, falsifying records, lying, plagiarism

(including electronic), alteration of materials, forgery, or providing or using external assistance relating to an examination, test, quiz, or daily assignment, without the expressed permission of the teacher, including looking at another student's work, sharing answers, or copying another student's work or any act designed to give unfair academic advantage to the student. As an institution of high academic integrity and as believers of supporting students to reach high academic success, every opportunity should be taken to give students the chance to demonstrate mastery of the content.

\*\* For students who have successfully completed Physical Science in 8th grade, their sequence will begin with Biology.

**Advanced Placement**

The Advanced Placement (AP) program in the Omaha Public Schools offers high school students the opportunity to take college level courses in a high school setting. For over fifty years, students in the school district have participated in the AP program, not only to gain higher-level academic skills, but also to earn college credit while still in high school.

Successful completion of AP Exams offers students the opportunity to earn advanced academic college credit. This can mean substantial savings for families on courses that would otherwise have to be taken in the freshman and sophomore years in college.

**Dual/Concurrent Enrollment**

Dual/Concurrent Enrollment provides high school students the opportunity to take college credit-bearing courses taught by college-approved high school teachers. Eligible courses allow students to earn high school credit and transcribed college credit at the time they pass the course. Omaha Public Schools partners with Metropolitan Community College (MCC), University of Nebraska Omaha (UNO), and Midland University (MU), to provide dual/concurrent enrollment opportunities in Advanced Placement (AP), Career Education, and Magnet/Special Program courses. Dual/Concurrent Enrollment is a low-cost model where students receive

reduced tuition rates, where credits earned may transfer to other 2-year and 4-year college institutions, and where students experience a smooth transition from high school to college. Each partner institution determines their own policies and guidelines regarding tuition costs, application deadlines, and acceptance and transferability of credits. The State of Nebraska offers the Access College Early (ACE) Scholarship for course tuition for eligible low-income high school students. Omaha Public Schools offers an OPS Scholarship for eligible low-income students when the ACE Scholarship is depleted or students reach the maximum number of courses allowed per year.

**Testing Programs**

All juniors participate in taking the ACT, which is the required state test. Students who are in their third-year cohort at the high school level participate in the college entrance exam (ACT) or in the NSCAS Alternate Assessment.

Full information about these tests, including, location of test, and testing dates, is given early in the school year. This information is also available in the school counseling offices.

The combined Preliminary Scholastic Aptitude Test (PSAT)/National Merit Scholarship Qualifying Test (NMSQT) is given on a specified national testing date in October. Tenth and Eleventh grade students who take this test are informed about test registration procedures well in advance of the testing date. For 10th grade students who take the PSAT, it is a practice test and does not count as the NMSQT. For 11th grade students, the National Merit Semi-Finalists are determined on the basis of test results.

**Credits from Outside Agencies**

Students regularly enrolled in an Omaha Public School and who desire to obtain credit by enrolling in an outside agency must have the written permission of the principal. In addition, the outside agency must be accredited by the State Department of Education, the course must be taught by a certified teacher, the course contact hours are to be comparable to OPS summer school courses,

and the materials used should be high school level. Credit cannot be given for a course where the student has already received credit.

Students transferring into an Omaha Public School will be held accountable for meeting OPS graduation requirements and Board of Education graduation requirements.

## Grading Overview

Grades for students enrolled in the Omaha Public Schools (OPS) are based on achievement of district-wide/State content standards, which specify what students should know and be able to do. Standards are the same across schools and classrooms for the same

courses in the Omaha Public Schools. These common grading practices are intended to ensure students have the knowledge and skills necessary for the next level of a course, the next grade or readiness for college or the workforce.

## Grading Purpose and Intended Use

Common grading practices provide specific, clear learning goals for students, parent(s)/guardian(s), teachers and administrators regarding what a student must know and be able to do to master the content of a course. They allow teachers to be consistent with common best

practices from grading based on educational research. Most importantly, common grading practices provide clarity for students and families as to what the grading criteria and expectations are between and amongst teachers, courses, and schools in OPS.

## Grading Scale

Omaha Public Schools Grading Scale	A	B	C	D	F
	3.26 - 4.00	2.51 - 3.25	1.76 - 2.50	1.01 - 1.75	0.00 - 1.00

## Coursework Types

Coursework may be expected to be completed during class time or outside of school.

- **Practice** (0%) assignments are brief. They are done to learn a new skill or to gain initial content knowledge, (e.g., student responses on white boards, a valid sampling of math problems, keyboarding exercises, diagramming sentences, checking and recording resting heart rate). Practice assignments are not generally graded for accuracy (descriptive feedback will be provided in class) and are not a part of the grade. Practice work is at the student's instructional level.
- **Formative** (35%) assessments/assignments are done for learning. They are minor assignments, (e.g., a three paragraph essay, written responses to guiding questions over an assigned reading, completion of a comparison/contrast matrix). Formative assignments are graded for accuracy and descriptive feedback is provided. Descriptive feedback provides the

student with the necessary information to improve their learning. Formative work is at the student's instructional level and/or grade level standards. It is suggested to have three to five formative assessments for every one summative assessment. Formative assessments may be assigned to be completed at home or at school. Formative assessments may be assigned to be completed at home or at school.

- **Summative** (65%) assessments/assignments are major end of learning unit tests or projects, (e.g., a research paper, an oral report with a power point, science fair project). Summative assignments are graded for accuracy. Summative assignments assess the student's progress on grade level standards. Summative assessments may be assigned to be completed at home or at school.

## Progress Reports

Student progress reports are distributed at the middle of each grading period. Progress reports are designed to let parent(s)/guardian(s) know how their child is performing academically. These grades (marks) are not final and do

not appear on student transcripts. As always, parent(s)/guardian(s) can make an appointment with teachers or school counselors in the event that additional supports are needed to improve the student's progress.

## Report Cards

Student report cards are distributed at the end of each grading period. Report Cards are designed to inform parent(s)/guardian(s) of the student's level of proficiency in each course. For quarter-long courses, grades (marks)

issued at the conclusion of the quarter will appear on the student's transcript. For semester-long courses grades issued at the conclusion of the semester will appear on the student's transcript.

## Grade Reporting Timeline

- September – First Quarter Progress Report
- October – First Quarter Grade Report  
(some courses may post to transcript)
- November – Second Quarter Progress Report
- December – Second Quarter Grade Report  
(posted to transcripts)

- February – Third Quarter Progress Report

## Schedule Changes/Requests for Dropping or Adding a Class

Students register in the spring for the following year. **A student will have two opportunities to select courses:**

1. Students select and finalize courses during spring registration
2. Following spring registration, students can adjust courses based on conflicts in their schedules.

**Course changes after the spring are only allowed under the following circumstances:**

1. If a course was completed during summer school
2. If a course that was failed during the previous school year.
3. If there is a schedule conflict that cannot be adjusted without dropping or changing a course.
4. If a student needs to meet graduation requirements.

Dropping a course after the first 15 days of the semester will result in a grade of "f" which is included in grade point average calculations. Requests to drop a course will be initiated by the student or parent to the school counselor.

**Procedures for withdrawing from a course:**

1. Conversation with the teacher
2. Counselor conferencing with teacher and student
3. Problem-solving with all affected parties

\* The first step is to navigate through the schedule change. If it is determined that other faculty need to be

included, please use the "Schedule Change/Request to Drop a Course" form. Please see the School Counseling for a copy of the OPS "Schedule Change/Request to Drop a Course" form. Use the "Schedule Change/Request to Drop a Course" form as a last resort.

## Grade Point Average

Grade Point Average (GPA) is computed by dividing total grade points earned by credits attempted. GPA takes into account the grade earned, amount of credit earned, and

the weight (based upon credit) of the course. All graded courses are included in this computation. Grade points are assigned as follows.

Academic Courses		Honors & A.P. Courses	
Letter Grade	Grade Points	Letter Grade	Grade Points
A(-)	4.0	A(-)	5.0
B(-)	3.0	B(-)	4.0
C	2.0	C	3.0
D	1.0	D	2.0
F	0	F	0

Note: One-half credit courses receive half the number of grade points.

## Accident Insurance

At the beginning of each school year, all students are given the opportunity to purchase group accident insurance through a private company. The fee is small for the coverage provided. Parent(s)/guardian(s) may choose the 24-hour plan or a more limited school plan that only covers students during school attendance, school activities, school sponsored events and all athletic

participation with the exception of football. Football insurance coverage will need to be purchased in addition to the above coverage if the student is in need of insurance for football participation. Schools do not carry insurance on students, their vehicles, or their personal property. For more information please contact Michelle Haynes in Student Information Services at 531-299-9724.

## Accreditation

Accreditation is a required process by which schools examine all systems and educational functions to certify competency and authority in the operation of Nebraska public schools. In conjunction with the Nebraska Department of Education and an outside accreditation agency like Cognia, every five years OPS is externally

reviewed. This ensures that all people, processes, departments and operations of each school meet all accreditation standards. All of the Omaha Public High Schools are accredited through 2025 by Cognia and the State Department of Education.

## Advertising and Promotion in the Schools – Policy No. 1060

Neither the facilities, the staff, nor the children of the school district shall be used in any manner for advertising or otherwise promoting the interests of any commercial, political, or other non-school agency, individual, or organization, except that:

1. District staff may cooperate in furthering the work of any non-profit, community-wide social service agency, provided that such cooperation does not

restrict or impair the educational program of the schools or diminish the amount of time devoted thereto.

2. The schools may use films or other educational materials bearing mention of the producing firm or sponsor, providing such materials can be justified on the basis of their actual educational value.
3. Any person or organization seeking to distribute

flyers of announcements concerning non-school events to a class or school must receive approval from the Office of District Communications. All flyers are to be distributed through the online Community Opportunities. A single flyer may be posted in the building common place, at the discretion of the building leadership.

4. The administration may, at its discretion, announce, or authorize to be announced, any lecture, community activity, or film which it feels has educational merit.
5. School representatives may, upon approval of the board of education, cooperate with any agency in promoting activities in the general public interest, and which promotes education that is in the best interest of the students.
6. Elementary and middle schools may produce school newsletters and/or newspapers, but may not sell advertising for these publications. However,

because of some secondary specialized curriculum areas (e.g., journalism, theatre, performing arts, etc.) advertising space for publications such as student newspapers, sports rosters, theatre productions, and yearbooks is permitted. The middle/high school principal will have the final approval of all advertising in all school publications.

7. With the exception of district-approved Adopt-A-School partners, Office of District Communications initiatives or sports advertising agreements entered into with the Omaha Schools Foundation and approved by the Superintendent or his or her designee, no school district property, equipment, facility, or space may be utilized for advertising purposes.
- For more information please contact District Communication at 531-299-0221.

## Attendance Best Practices

---

The single most important factor contributing to student achievement is school attendance. The Omaha Public Schools strongly believes that daily attendance is critical to academic success. Students are expected to be in school regularly, on time and remain present the entire day. All OPS schools will follow the Attendance Policy found in the Buff pages of the **Student Code of Conduct**.

STRIVE FOR 95 is the district focus on increasing the number of students reaching 95% attendance or higher throughout the school year.

- Attend regularly
- Arrive on time
- Attend the entire day
- Miss less than 9 days throughout the school year

### If a student is going to be absent –

Please contact the school before 7:30 a.m. (secondary) and 9:00 a.m. (elementary). Voicemail will be available to leave message as to the reason for the student absence. If an absence is not reported, contact will be made to the family's home and/or work to notify of the student

absence. This is to ensure that every child is accounted for and for the protection of all children. If the school is not notified of the student's absence or contact was not made, please provide a note of explanation as to the reason for the absence.

### If a student is going to be late to school –

Students must check in with the attendance office before reporting to class. A note or school contact from the parent/guardian reporting the reason for the late arrival is requested. Minutes late to school will accumulate and

will be added to the total number of days missed. District procedures will be followed regarding late arrivals to school.

### Request to leave school early –

Whenever possible, doctor, dentist, and other appointments should be made outside of school hours. However, if it is necessary to leave during the school day, the student is asked to bring a note from a parent/guardian stating the exact time for leaving and the reason. This is for the safety of all students. If you plan to remove your

child from school during the day, we ask that you pick the child up in the office. No student will be dismissed as a result of a phone call. All students must be checked out at the office by a parent/guardian/emergency contact, and identification must be verified.

### School Closing and Early Dismissal

The Omaha Public Schools recognizes the right and responsibility of parents/guardians to make a choice in the matter of school attendance in bad weather. If weather is questionable, please listen to the radio, or watch your local weather channel, or check OPS social media for word of school closing. The district will also communicate with

families via voice and text messages and information will be posted on the district website and social media sites. If school closes during the day, the school will follow the instructions on your student's emergency card. If this information changes, please notify the office immediately.

## **Athletics and Co-Curricular Activities Requirements**

It is the practice of the Omaha Public Schools that any student who wishes to participate in athletics and co-curricular competition must have athletic insurance coverage, a current school physical, activities card, and must meet the academic requirements of the Omaha Public Schools. For the purposes of this practice, co-curricular activities are those which involve competition with other schools and generally meet outside of the school day.

It is the position of the Omaha Public Schools that it is important to support the total student. Expectations for our student athletes in co-curricular activities include not only behavior at school or at school functions and events, but go beyond the school day and into the community.

Coaches have the responsibility, pursuant to the OPS **Student Code of Conduct** to impose participation restrictions or eligibility restrictions for participation in co-curricular activities on students for inappropriate behavior. It is the policy of the Omaha Public Schools that any student participant in co-curricular activities and

athletics who engages in a brawl, melee, fight or similar inappropriate behavior that arises while the student is participating in, or attending, a game or event may be suspended from participation in co-curricular and/or athletics competition for up to 90 activity days. All coaches, activity sponsors or staff responsible for co-curricular and athletic activities should be notified of this participation restriction, and should notify students and parent(s)/guardian(s) immediately of this participation restriction.

If such behavior occurs, it is the responsibility of coaches, activity sponsors or staff responsible for co-curricular and athletic activities to (a) investigate the alleged misbehavior; (b) give the student written or oral notice of the charge against him/her; (c) explain the evidence against the student; (d) give the student a chance to tell his/her version of what happened; and (e) decide whether, in fact, the student violated this participation rule.

The student has the right to appeal the individual coach's, activity sponsor's or responsible staff's decision to the principal.

## **Athletic Insurance Coverage**

All members of athletic squads will need to have accident injury insurance coverage. The purpose of such insurance coverage is to provide coverage in the event of accidental injury. Your school, acting for members of the athletic squad, makes available an Athletic Injury Benefit Plan

approved by the Omaha Board of Education. The total premium is paid by the student or parent(s)/guardian(s). If you have your own insurance coverage you must name the insurance company and provide the policy number.

## **Child Abuse and Neglect**

OPS Child Abuse Reporting Policy (Policy 5402) is based on Nebraska State Law (28-711). Every person who is employed by Omaha Public Schools is considered a mandatory reporter. In any situation that would cause a concern to the health or well-being of a child, the staff member who became aware of or witnessed the incident is to contact Child Protective Services (CPS) or Law Enforcement. In addition to calling CPS, the employee needs to speak with his/her building principal or their immediate supervisor. The building principal or immediate supervisor will contact Human Resources if the incident is regarding a staff member causing harm to a student.

When any physician, medical institution, nurse, school employee, social worker, or other person has reasonable cause to believe that a child has been subjected to abuse or neglect or observes such child being subjected to conditions or circumstances which reasonably would

result in abuse or neglect, he or she shall report such incident or cause a report to be made to the proper law enforcement agency or to the department on the toll-free number 1-800-652-1999.

Any person who willfully fails to make any report of child abuse or neglect required by section 28-711 shall be guilty of a Class III misdemeanor. This is a maximum of three months' imprisonment or five hundred dollars fine or both.

Schools are obligated by law to allow CPS and/or Law enforcement under Nebraska State Law (43-250) and Nebraska Administrative Code (390) to speak to your child without prior parental consent when there is an open case involving suspected abuse and or neglect. It is then the responsibility of CPS or Law enforcement to contact you and discuss the contact with your child. School staff are instructed not to notify parents by these officials.

## **Child Find**

Child Find requires all school districts to identify, locate and evaluate all children with disabilities, regardless of the severity of their disabilities. This obligation to identify all children who may need special education services exists even if the school is not providing special education services to the child. Children with disabilities from birth to age 21 are covered. This includes children who are being homeschooled, attending private school, highly mobile

children, migrant children, homeless children, children who are wards of the state as well as children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. For more information, please contact: OPS Director of Special Education, 3215 Cumming Street, Omaha, NE 68131-2024, 531-299-9461.

## **Children’s Online Privacy Protection Act (COPPA)**

The Omaha Public Schools may contract with publishers or other third-party website operators to provide online curriculum that aligns with district standards or other services that support the teaching and learning processes of the district. These websites are offered for the benefit of the students and for the school system, e.g., homework help lines, web-based testing services, and supplemental

curriculum. Website operators provide the Omaha Public Schools with full notice of their collection, use and disclosure practices. The use of the website and the collection of any information from students are solely for the use and benefit of the school, and for no commercial purpose.

## **Dating Violence Prevention – Policy No. 5420**

Omaha Public Schools strives to provide physically safe and emotionally secure environments for all students and staff. Positive behaviors are encouraged in the educational program and are required of all students and staff. Dating violence will not be tolerated.

For purposes of this policy “dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on a consideration of the following factors:

- a. The length of the relationship;
- b. The type of relationship;
- c. The frequency of interaction between the persons involved in the relationship.

Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

Incidents of dating violence will be addressed within the scope and subject to the limits of the District’s authority as set forth in Policy 1210.

Staff training on dating violence shall be provided as deemed appropriate by the administration. The dating violence training shall include, but need not be limited to, basic awareness of dating violence, warning signs of dating violence, and the District’s dating violence policy.

Dating violence education that is age-appropriate shall be incorporated into the school program. Dating violence education shall include, but not be limited to, defining dating violence, recognizing dating violence warning signs, and identifying characteristics of healthy dating relationships.

The administration will be responsible for ensuring that this dating violence policy is published in the school district’s student-parent handbook or an equivalent such publication. Parents and legal guardians shall be informed of the dating violence policy by such other means as the administration determines appropriate. If requested, parents or legal guardians shall be provided a copy of the dating violence policy and relevant information.

## **Directory Information**

The Family Educational Rights and Privacy Act (FERPA) does permit the School District to disclose appropriately designated “directory information” without written consent unless a parent(s)/guardian(s) or eligible student advises the School District to the contrary in accordance with School District procedures. The primary purpose of directory information is to allow the School District to include this type of information from a student’s education records in certain school publications. Examples include:

- A playbill, showing a student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity programs showing weight and height of athletic team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without parent(s)/guardian(s) or eligible student’s prior written consent.

The School District has designated the following types of information as directory information:

1. Name
2. Grade level
3. Date and place of birth

4. Dates of attendance
5. The current and the most recent educational agency or institution attended
6. Major field of study
7. Degrees, honors, and awards received
8. Participation in officially recognized activities and sports
9. Weight and height of members of athletic teams
10. Photograph

The School District no longer lists address, phone number and parent name as directory information, in an effort to protect students and parents from disclosure of this information for non-school purposes. However, there are many school-related purposes for disclosing addresses, phone numbers, and parent names: for example, scholarship organizations, news articles on student achievement, class ring manufacturers, yearbook publishers, college recruiters, and senior picture photographers. Therefore, the School District annually requests written consent from parents to release addresses, phone numbers, and parent names for these types of limited purposes, which are detailed on the release. The release is distributed at the beginning of the school year and can also be obtained at any time by contacting Student Information Services, 3215 Cuming Street, Omaha, Nebraska 68131-2024 or at sis@ops.org. We encourage parents to sign the limited release.

Parent(s)/guardian(s) and eligible students who do NOT want directory information made available may indicate their preferences on the release distributed at the beginning of the school year or may notify in writing the Student Information Services office at 3215 Cuming Street, Omaha, Nebraska 68131-2024 or at [sis@ops.org](mailto:sis@ops.org).

In addition to disclosure of directory information, federal law also requires school districts to release to military recruiters and institutions of higher education, secondary school students' names, addresses and telephone listings, unless parents and/or secondary students request that this information NOT be released to these institutions without their prior written consent.

Parent(s)/guardian(s), eligible students or secondary

students who do NOT want their name, address, and telephone listing to be released to military recruiters or institutions of higher education may indicate their preferences on the release distributed at the beginning of the school year or may notify in writing the Student Information Services office at 3215 Cuming Street, Omaha, Nebraska 68131-2024 or at [sis@ops.org](mailto:sis@ops.org).

Students and parent(s)/guardian(s) have the right to obtain a copy of the policy of the School District on student records. Copies of the policy are available from in the Student Information Services office, School District of Omaha, 3215 Cuming Street, Omaha, Nebraska 68131-2024 or upon request at [sis@ops.org](mailto:sis@ops.org).

## Emergency Protocols

Procedures are established in the event of a crisis during school hours or sponsored activities. The staff is trained in specific methods to handle crisis situations.

### Hold

In the event of an occurrence that requires students and staff to remain in their classrooms, and out of the hallways until the occurrence is resolved. Students and staff would remain in their classrooms, or other needed locations, until an "all-clear" announcement is made.

### Secure

Secure takes place if an external threat is identified near school grounds. All external doors are to remain locked. No entry or exit to the school will be allowed until an "all-clear" announcement is made.

### Lockdown

A lockdown takes place if an internal or external threat is identified at the school. All school doors are locked and students are confined to classrooms or secured location. No entry into or exit from the school will be allowed until an "all-clear" announcement is made.

### Evacuate

In the event of certain building emergencies, students will be relocated to an evacuation assembly area. Students will be released ONLY to parents/guardians/emergency contact with picture ID and permission from a district official. This procedure is necessary to account for the location of all students.

### Fire Drills

In conformity with the regulations of the Nebraska State Fire Marshal, each school is required to hold fire drills. Upon the sounding of the fire drill signal, all students are dismissed immediately and are to follow, under the leadership of the teacher, the exit instructions that have been issued. Your books and wraps are to be left in the classroom; purses should be taken with you; the classroom door should be closed upon vacating the room. Remain alert, calm, and quiet as it may be necessary for a change in exit instructions to be given over the P.A. system. Avoid crowding, pushing, or shoving. Under the guidance and leadership of the teacher, students should remain in the assigned sidewalk area until the "all-clear" signal is sounded.

### Severe Weather

The Omaha Public School policy recognizes the right and the responsibility of parents in the matter of school attendance when inclement weather exists. In case of extreme winter weather conditions, announcements of school closings will be made from the department of District Communications at or before 5:30 a.m. Any changes in dismissal time will also be announced. If the school is alerted to an approaching tornado, immediate directions will be announced within the school building. All students, staff, and visitors will move to sheltered areas until the emergency has passed. In cases of emergencies or of impending disaster, staff is responsible for giving specific instructions for student safety.

## Equal Access

As required by federal law, Omaha Public Schools provides equal access to the Boy Scouts and other designated youth groups. Please contact the building

principal or the Executive Director for District Operational Services at 531-299-2201 for inquiries regarding this policy.

## Health Services

The mission of Health Services is to support student success by providing comprehensive school health services using a collaborative approach that promotes an inclusive, safe, and healthy learning environment to foster academic engagement of all students.

An ill or injured student needs parent/guardian permission to leave school property. The exception would be in the event of an emergency requiring EMS services.

A health record is on file for each student in the health office and student health information is entered electronically in Infinite Campus. Parents/guardians are asked to update their child's health information by reporting to the nurse any changes in health status, newly received immunizations (including booster), and other pertinent information necessary to keep students safe, healthy and ready to learn at school.

## Accident Report

A written student accident report will be completed when an accident occurs on school property in which

the student sustains an injury that requires an evaluation by a health care provider.

## Action Plans and Rescue Medication

Asthma, anaphylaxis, seizures and diabetes are conditions which can result in potentially life-threatening episodes. There may be other conditions that require an action plan and rescue medications in order to respond to a potential medical emergency. The school needs an updated action plan, signed by the health care provider

and the parent/guardian, at the start of each school year and if changes to the plan occur during the school year. This plan, authorizes the required rescue medication be administered to the student at school in the event of an emergency. The parent/guardian is responsible for providing the prescribed medication(s).

## Behavioral and Mental Health Community Partners

The **Methodist Community Counseling Program** has been a collaborative effort of the Methodist Hospital Foundation, Omaha Public Schools and neighborhood churches since 1996. The program's mission is to provide accessible, affordable behavioral health services in the neighborhoods where you live, work and learn. The Methodist Community Counseling Program includes a team of licensed mental health practitioners dedicated to helping clients improve their quality of life by addressing their unique mental health and emotional challenges. Counseling services are offered to students in each middle school, high school and alternative program in Omaha Public Schools and to the community at locations across Omaha.

low- or no-cost professional therapy to students needing preventative mental health care at a convenient location and time in an individual or group setting. Connections works closely with the family and the child's school to find the right therapist to help each child build confidence, resilience and coping skills. The program is available to all Omaha Public Schools elementary students.

The **Connections Program** has been a collaborative effort between Project Harmony and Omaha Public Schools since January 2015. The program's mission is to promote hope, health, and resilience for children and families in need. The Connections program offers

The **School and Family Enrichment (SAFE) Program** has been a collaboration between the Omaha Public Schools, Region 6 Behavioral Health Care, and Child Saving Institute since August 2000. The program's mission is to provide, at no cost to the family and on a voluntary basis, home-based family support, case management and/or behavioral support as needed. A SAFE Specialist will work closely with the student, family and the school in focusing on the family/child strengths and achieving agreed upon goals. The SAFE program is available to all elementary students in Omaha Public Schools.

## Minimum Annual Health Screenings

In accordance with the Nebraska State Statute, #173 NAC 7, the Omaha Public Schools is required to conduct non-diagnostic health screenings to all students enrolled in grades Early Childhood - 4th, 7th, and 10th. The purpose of screening is to identify any possible health concerns needing further evaluation or assistance. Parents/guardians are to be notified of the screening result if the student is found to need further evaluation, as determined by the qualified screener. The cost of the evaluation, by a health care provider, is the responsibility of the parent or

guardian of the student.

The screening measures the following: height/weight, hearing, vision and dental health.

A parent/guardian may submit a statement signed by a health care provider stating the student has undergone required screenings within the last six months prior to the start of school. A student in the mandated grades must submit to any required screening at school for which such a statement is not received.

## Nebraska School Immunization Law

- Proof of at least one immunization for each required series of immunizations is necessary, to be provisionally enrolled.
- If a student does not have proof of receiving all State required immunizations, provisional enrollment may be allowed when a parent(s)/guardian(s) provides an immunization appointment date to their child's school nurse. Written verification from the health care provider is necessary when the student returns to school, after receiving the immunization. Provisional enrollment will continue, provided the immunizations are given as soon as it is medically possible.
- Special provisions are available for children of officers or enlisted persons on active duty in the military. Please contact your child's school for further information.

**Immunization Requirement**

Students who do not meet the state immunization requirement for immunization compliance may be subject to emergency exclusion until the school reviews the official

immunization record which indicates the student meets minimum requirements and/or receiving the required immunizations as quickly as medically permitted.

**Physical Examination Requirements**

Students initially enrolling in school, entering the seventh grade or transferring from out-of-state are required (by Nebraska Department of Health and Human Services) to have a physical examination by a licensed health care

**Visual Evaluation Requirement**

A vision evaluation by a health care provider or an optometrist is required within six months prior to entrance into kindergarten or transfer from out-of-state. The evaluation will examine for amblyopia, strabismus and

internal and external eye health, with testing sufficient to determine visual acuity. Parent/guardian may opt out of this requirement through a written waiver obtained at the school.

**Procedures for Medications**

1. OPS policy requires written authorization from a health care provider, or dentist, and written parent(s)/guardian(s) permission for any prescription or over-the-counter medication administered to any student. No unauthorized medication (aspirin, Tylenol and cough drops included) will be administered by the school nurse or other school personnel. No OPS personnel will prescribe medication at any time. When a student must take medication during school hours, adherence to the following procedures is strictly followed:
  - a. The school must have written permission from the parent(s)/guardian(s) and a written health care provider statement which provides instruction in providing the correct dosage at the correct time(s). This authorization must be submitted at the start of each school year and with any change in the medication or change in dosage. Authorization from the parent(s)/guardian(s) and health care provider

- b. The medication must be brought to school by the parent(s)/guardian(s) or an adult authorized by the parent(s)/guardian(s). Secondary students are allowed to bring medication to school if parent(s)/guardian(s) permission and physician authorization and instructions are available in the health office. **No secondary or elementary students are allowed to bring or carry home any controlled medication (methylphenidate, Adderall, etc.) to school. A parent(s)/guardian(s) or parent(s)/guardian(s)-designated adult is to bring controlled medication directly to school personnel.**

- provider's name, date and directions to be followed.
  - d. Expired or outdated medication will not be accepted or administered to students at any time.
  - e. Non-emergency medication (routine, as needed and over-the-counter medication) is stored in a locked area in the health office until they are turned into OPS environmental services for disposal.
  - f. Emergency medication (e.g. EpiPens, inhalers, glucagon and diastat) is stored in a secure but unlocked area in the health office to provide immediate access.
  - g. Parent(s) or guardian(s) of a student who will not be returning for OPS summer session are responsible to pick up their students' prescription or over the counter medication on or before the final day of school. ### School Based Health Centers

To ensure students are healthy and ready to learn, the Omaha Public Schools partners with One World Community Health Center and Charles Drew Health Center to provide quality health care within eight School Based Health Centers (SBHC) in buildings throughout the district. The SBHCs are staffed by licensed advanced practice registered nurses and physician assistants that can diagnose, treat and prescribe medications for many illnesses that keep children out of the classroom, in addition to providing school physicals, physicals to participate in athletics and administering immunizations which are required to attend school. With parent(s)/guardian(s) consent, any OPS student and their minor siblings may use the services provided in the SBHC. The

relationship with a student's medical home is not disrupted if the SBHC is utilized by the student. The SBHC accepts Medicaid, Kids Connection, commercial insurance, or they can provide a low-cost sliding fee schedule for uninsured children based on family income and size. To enroll, the "School Based Health Center Enrollment and Consent Form" must be completed by a parent(s)/guardian(s) and returned to school. For enrollment forms and more complete information about hours, services and cost, please visit <https://district.ops.org/DEPARTMENTS/Student-and-Community-Services/Health-Services/School-Based-Health-Centers> or call your school nurse for assistance.

### Special Health Needs

It is imperative for parent(s)/guardian(s) to notify the school of any health needs/concerns their child may have, such as asthma, seizure disorders, severe allergy, diabetes, blood disorders, etc.

Parent(s)/guardian(s) must provide all of their student's

medications and medical supplies for special health care procedures, including blood glucose monitors, inhalers, tubing for nebulizers, catheterization supplies, etc. Medication and medical procedures require authorization from the parent(s)/guardian(s) and health care provider.

## Special Emergency Procedures

In case of cardiac arrest, an Automated External Defibrillator (AED) may be administered by designated trained staff in CPR/AED to students as a life-saving measure. If a student sustains a life-threatening asthma attack or a severe allergic reaction (anaphylaxis), epinephrine and nebulized albuterol may be administered

by trained staff. Naloxone nasal spray may be administered by designated trained staff when an opioid overdose is suspected. Emergency Medical Services will be activated in life-threatening emergencies. AED and emergency medications are not to be taken off school grounds for individual use.

## Multi-Tiered Systems of Support for Behavior

In the Omaha Public Schools, we believe we can affect student behavior by creating environments where students are likely to learn and behave. These environments are guided by a set of standardized practices to increase the likelihood of positive behavior occurring. With consistent implementation, MTSS-B

- Improves school climate
- Reduces aggressive behavior
- Reduces major disciplinary infractions

- Supports social-emotional learning and self-regulation
- Improves academic achievement and student attendance

School administrators use this framework to support students' needs when making decisions regarding the OPS Code of Conduct. Each school and program in Omaha Public Schools has an MTSS-B Team to ensure effective practices are in place.

## **OPS Academic Eligibility for High School Students Who Participate In Any Sanctioned Activities Sponsored by the NSAA - Policy No. 5102**

### **I. PURPOSE**

To delineate system-wide academic eligibility guidelines for students who participate in Nebraska School Activities Association (NSAA) sanctioned activities.

### **II. BACKGROUND**

B. Eligibility Period is defined as the one quarter prior to the season in which the student is participating.

C. An Audit course is taken for no credit and is not a part of a student's grade point average (GPA).

## IV. PROCEDURES

## A. Eligibility

1. No pass, no play. All middle and high school students participating in, or who plan to participate in sanctioned NSAA activities, must maintain a passing grade in every class for the eligibility period.
2. Grades reported as incomplete (INC) as a result of district excused absences shall be considered passing grades until changed. Incomplete grades that are not changed to a passing grade within ten school days after report cards are issued will be considered failing grades for eligibility purposes until they are changed.
3. Student Withdraw from Courses
  - a. A student may withdraw from a course within 15 school days from the beginning of the course or less without penalty.
  - b. A student must be enrolled in a minimum of six courses per semester. Seniors must have their schedules meet the approval of their guidance counselor, and should be enrolled in a minimum of four courses per semester.
  - c. When a student withdraws from a course after 15 school days after the start of the course, the student will be given a drop grade at the time of the withdrawal from the course, and that grade will be factored into the grading period average.
4. When a student transfers into an OPS high school, the grades from the previous high school will be used to determine academic eligibility.
5. Each activity sponsor, athletic director, or coach will verify student's academic eligibility for sanctioned NSAA activities every two weeks. Grade reports will be generated every two weeks.
6. Students enrolled in less than a full day schedule must pass each course and be eligible.

High school students who do not maintain a Term (quarter) GPA of 2.0 must attend academic coaching a minimum of one hour a week for nine weeks until he/she demonstrates a Term, (quarter) GPA of 2.0. All students have the opportunity to retake any course that they earn a "D" or "F" to replace this grade with a higher grade. All students, who have a "D" or "F", will continue to attend Academic Coaching sessions until the student is passing all courses. The minimum number of academic coaching sessions per

week is a one-hour session; however, some students who are failing may need to attend more than the minimum one-hour academic tutoring session.

8. Any student who has maintained a GPA above a 2.0 or no grade lower than a "C" in all coursework is also welcome to attend an academic coaching session at any time, but it is not required.

## B. Exceptions

1. This policy does not govern activities related to course objectives or extension of a graded course or of a high school credit course e.g., concert or drama presentation, that would adversely affect the student's grade.
2. An unsatisfactory evaluation in an audit course is not considered failing for student eligibility.
3. Students who have an Individual Education Plan (IEP) will be exempt from the Term GPA 2.0 (quarter) and no pass, no play requirements. Students with an IEP must continue to meet the NSAA requirement of passing four classes during the prior (quarter) term.
4. In cases where there are extenuating circumstances, students who do not meet the Term (quarter) GPA 2.0 requirement and/or are failing courses and who wish to participate have the option to use a waiver available to them one time during their high school years. A student can only use the waiver option if he or she is participating in intervention and/or support programs. The waiver may be used as long as all other NSAA requirements are met. The waiver is approved or denied by the building principal or the principal's designee.

## C. Local School Responsibilities

1. Schools (middle and high school) shall communicate in writing to students and parents a list of opportunities for all students to participate in extracurricular activities and a copy of the OPS academic eligibility requirements for NSAA sanctioned activities. ## Nutrition Services

The Omaha Public Schools District recognizes students need access to nutritious meals during the school day to stay focused in the classroom. During the 2021-22 school year only, the United States Department of Agriculture (USDA) issued a waiver to provide breakfast and lunch at no charge to all students. Starting the 2022-23 school year, breakfast will be provided at no charge and lunch will be

provided at reasonable prices. It is the parent/guardian’s responsibility to pay for their student’s ala-carte purchases such as additional entrees, chips, cookies, or other extras. The information below describes the standard practice the district will follow to maintain the financial integrity of the nonprofit school meals program while minimizing any undue focus on children who do not have funds.

### Meal Applications

At the beginning of each school year, meal applications are distributed to OPS families. They are available online, at all schools, and in the Nutrition Services Office. The completion of the meal application is extremely important as the information may be requested, with the permission of the parent or guardian, for other educational opportunities. A student’s meal status from the prior

year is carried over for thirty student days into the next school year. To continue meal benefits, a completed and approved application for the current year must be on file. Families may complete an application online for the upcoming school year any time after July 23 (may vary year-to-year). Families may also submit applications any time throughout the school year if they believe they may

qualify or if their circumstances have changed (e.g., if the household size goes up, income goes down or if anyone in the household starts receiving SNAP, TANF, or other

benefits). **Links for the online meal application and online payment are located at [www.ops.org](http://www.ops.org).**

## Meal Balances

Parents and/or guardians are encouraged to monitor their child's meal balance online and keep an adequate amount of funds in the child's account to pay for their purchases. Prepayment is encouraged and may be made online, or at the school with cash or check. District staff will notify parents of low account or negative balances by using various communication channels (e.g., sending reminders home with the child, making phone calls, sending letters home and through email messages). For information on accessing your child's online account visit: **[www.schoolcafe.com](http://www.schoolcafe.com)** (you will need your student's ID).

Student ID numbers are confidential and must not be shared with anyone. Unauthorized use of an ID number will result in your account being charged for the food. As

that can be eaten by students during the school day.

Additionally, Nebraska's Competitive Food Rule states no food items can be sold in competition with the school meals program from thirty minutes before until thirty minutes after meal service (breakfast and lunch).

soon as you become aware someone is using your ID number, please notify Nutrition Services at 531-299-0230 immediately.

## Parent(s)/Guardian(s) Communication & Access to the Schools

### Access to the Schools

Parent(s)/guardian(s) are encouraged to visit their children's schools, classrooms, assemblies, counseling sessions and other instructional activities. The district will encourage home and school cooperation by promoting clear, two-way communication with parent(s)/guardian(s) about the instructional program, and the child's participation and progress. Special notice is routinely given to parent(s)/guardian(s) regarding open houses, parent-teacher conferences, award and recognition ceremonies, school activities, certain assemblies, student programs, and other special events.

Parent(s)/guardian(s) are also encouraged to visit their children's classrooms and daily learning environments. Parent(s)/guardian(s) and other visitors to the schools are expected to arrange such visits in advance. All visitors need to report to the main office or designated area to

sign-in and receive visitor's badge.

Parent(s)/guardian(s) and other patrons of the district are welcome and encouraged to visit the schools. All visitors are expected to report to the main office or designated area to notify staff they are in the building or on school grounds. Visitors to the schools must respect the learning environment and maintain proper behavior and decorum. Disruption of the orderly process of the school is prohibited. The principal or his/her designee is authorized to deny access, ban or bar future access, remove or request the removal of any visitor whose behavior is disruptive to the educational/working environment of the school. Any visitor to the schools who has been denied access or who has been asked to leave may appeal to the Office of the Superintendent.

### Communication

Establishing good communication with students is a major goal of Omaha Public Schools, one which the school considers an important factor in a student's educational success. Teachers, counselors, and principals strive to answer questions and correct misinformation by maintaining an "open door" policy with students. Parent(s)/guardian(s) are encouraged to ask questions. Parent(s)/guardian(s) are invited to seek the counsel of any of these school staff to help solve your problems. Contact your main office to be directed to the appropriate staff member.

One goal of a student's success in school is correcting problem situations early. The way to do this is to encourage parent(s)/guardian(s) to talk with the teacher involved or to

seek the advice of a counselor. Students often wait when they have difficulty in a class, thinking they will be able to help themselves without assistance. Often, however, the problem gets worse, and the student can see no answer. Parent(s)/guardian(s) are encouraged to show concern and need for help early. The teacher is there to help students succeed.

Parent(s)/guardian(s) will have the opportunity to meet their child's teachers and discuss progress at Parent-Teacher Conferences scheduled during the school year. Also report cards will be distributed to parent(s)/guardian(s) at these conferences.

Newsletters mailed to parent(s)/guardian(s), electronic communication, and school websites are among the other means of communication with the home. The school

newspaper and FM-radio station, KIOS, circulate school news. KIOS, which is 91.5 on the radio dial, is located at the Telecommunications Center, 3230 Burt Street.

### Campus Parent Portal

The Omaha Public School District offers parent(s)/guardian(s) the opportunity to view their student's grades, homework, and attendance and to pay fines/fees online. The app, Campus Parent provides anytime access via

the internet from the Omaha Public Schools homepage ([district.ops.org](http://district.ops.org)) or from the direct Campus Portal link (<https://campus.ops.org/campus/portal/ops.isp>). Contact your school's main office to gain access.

## Personal Contact Changes

### Address Change

If you are moving, whether it is still in the school's attendance area or not, please report to the school's main office to inform the school and to provide proof of address such as lease agreement or utility bill. If moving from the district, advance notice should be given to the teacher so necessary paperwork can be completed for the transfer. A couple days' notice is required.

### Email/Telephone Change

If there is a change of email and telephone contact information for parent(s)/guardian(s) or emergency contact, please notify the main office or submit the information through the Campus Parent app. This information is used to communicate with families about pertinent information.

## Protection of Pupil Rights Amendment (PPRA)

PPRA affords parent(s)/guardian(s) certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, height and weight, oral assessment, or any physical exam or screening permitted or required under State law; and

for marketing or to sell or otherwise distribute the information to others.

3. Instructional materials used as part of the educational curriculum.

These rights transfer from the parent(s)/guardian(s) to the student who is 18 years old or an emancipated minor under State law.

The Omaha Public Schools (OPS) has developed and adopted policies, in consultation with parent(s)/guardian(s), regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. OPS will directly notify parent(s)/guardian(s) of these policies at least annually at the start of each school year and after any substantive changes. OPS will also directly notify, such as through U.S. mail or e-mail, parent(s)/guardian(s) of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent(s)/guardian(s) to opt their own child out of participation of the specific activity or survey. OPS will make this notification to parent(s)/guardian(s) at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parent(s)/guardian(s) will be provided reasonable notification of the planned activities and surveys. Parent(s)/guardian(s) will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution;

- Administration of any protected information survey not funded in whole or in part by ED; and
- Any non-emergency, invasive physical examination or screening as described above.

Parent(s)/guardian(s) who believe their rights have been

violated may file a complaint with: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-5920 or at <https://studentprivacy.ed.gov/>.

## School Counseling

The OPS School Counseling division provides a comprehensive, strengths-based program aligned with the American School Counselor Association National Model and the Nebraska Department of Education School Counseling Model. The role of the school counselor is to address all students' academic, career and social/emotional development by delivering a comprehensive program including classroom lessons, individual student planning and responsive services to all students from Kindergarten through 12th grade. School counselors prepare students to excel in college, career and life by instilling hope, increasing school connectedness and

empowering students to achieve academic success.

## Students Responsibilities and Rights

A student's basic responsibility in school is to act in a manner that enhances their own and other's opportunity to learn. A student does not have a right to engage in

conduct or actions that would materially and substantially interfere with the requirements of appropriate discipline in the operation of a school.

## Textbooks/Library Books

Textbooks are supplied by the Omaha Public Schools. Books must be returned in good condition when checked

in to the teacher. It is the responsibility of the family to pay for any loss and/or damaged books.

## Volunteers

If there is interest assisting school personnel in the operations of the school; i.e. library work, aiding classroom teachers, tutors, reading to students, cafeteria, etc., contact the main office at the school. The principal will then follow the Volunteer Process through Human Resources.

District volunteer forms (which include a background check component) are utilized at all schools for any individual (parent(s)/guardian(s), relative, or otherwise) wishing to volunteer or provide any type of support that would bring them in contact with students.

## Withdrawal from School

Pursuant to Neb. Rev. Stat. 79-202, a person who has legal or actual charge or control of a child who is at least sixteen years of age but less than eighteen years of age may withdraw such child from school before graduation and be exempt from the mandatory attendance requirements of section 79-202 79-201 if an exit interview is conducted and the withdrawal form is signed and filed with the Commissioner of Education.

To begin the withdrawal process, the person with legal or actual charge or control of a child who is at least sixteen years of age but less than eighteen years of age submits a request to the school where the student is enrolled.

The principal or his/her designee (Administrator and/or School Counselor), will schedule the exit interview which shall be personally attended by: (a) the child, unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable; (b) the person who has legal or actual charge or control of the child who requested the exit interview; (c) the child's principal or the principal's designee (Administrator and/or School Counselor) if the child at the time of the exit interview is enrolled in a school operated by the school district; (d) the superintendent designee (School Support Liaison) and (e) any other person requested by any of the required parties.

During the exit interview, the person making the written request shall present evidence that (a) the person has legal or actual charge or control of the child and (b) the child would be withdrawing due to either (i) financial hardships requiring the child to be employed to support the child's family or one or more dependents of the child or (ii) an illness of the child making attendance impossible or impracticable.

During the exit interview, the School Counselor will identify all known alternative educational opportunities, including vocational courses of study, that are available to the child in the school district and how withdrawing from school is likely to reduce potential future earnings for the child and increase the likelihood of the child being unemployed in the future. Any other relevant information may be presented and discussed by any of the parties in attendance.

At the conclusion of the exit interview, the person making the written request may either sign the withdrawal form provided by the school district or may rescind the written request for the withdrawal. The principal or his/her designee will complete the Nebraska Withdrawal Form Mandatory Attendance Form found at:

<https://cdn.education.ne.gov/wp-content/uploads/2019/08/NebraskaWithdrawalFromMandatoryAttendanceForm10-005.pdf>

All information must first be inputted into the form and then printed off to be signed. The withdrawal form signed by the person making the written request is valid only if (i) the child signs the form unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable and (ii) the Principal or the Principal's designee signs the form acknowledging that the interview was held, the required information was provided and discussed at the interview, and, in the opinion of Principal or the Principal's designee, the person making the written request does in fact have legal or actual charge or control of the child and the child is experiencing either financial hardships requiring the child to be employed to support the child's family or one or more dependents of the child or an illness making attendance impossible or impracticable. The signed withdrawal form is forwarded to the Student Information Services office to be entered into the data management system and reported to the Department of Education.

Students who have withdrawn may re-enter school the following semester by contacting the last school attended, or the Student Placement office at 531-299-0302. Contact should be made prior to the start of the semester.

## **Multi-Tiered System of Support for Behavior (MTSS-B) is being implemented in all Omaha Public Schools and Programs.**

### ***We believe...***

We cannot “make” students learn or behave.

But we CAN create environments to increase the likelihood that students learn and behave.

We CAN create environments to increase the likelihood of positive behaviors occurring.

These environments are guided by a set of standardized practices implemented with consistency and fidelity.

MTSS-B is a problem-solving framework for teaching desired behaviors in each school. MTSS-B utilizes consistent practices that have tiers of increasingly intensive supports to increase the likelihood students are academically, emotionally, behaviorally and socially successful.

### ***With consistent implementation, Multi-Tiered System of Support for Behavior***

- Improves the school climate
- Reduces aggressive behaviors
- Reduces major disciplinary infractions such as suspensions
- Improves concentration, positive social behavior, and emotional regulation
- Improves academic achievement.

***If you would like more information about how MTSS-B is implemented in your school, contact the building principal.***

***STUDENT CODE OF CONDUCT***

The Board of Education believes school is an appropriate setting for all children and youth. The **Student Code of Conduct** is designed to support this concept by developing, through reasonable and consistent practices, appropriate student behavior patterns. Those behaviors and disciplinary actions set forth in the **Code** are designed to serve as learning experiences for students.

The **Student Code of Conduct** includes those behaviors having disciplinary actions and/or intervention strategies that shall be carried out by the school building administrators. The **Code** applies to conduct on school grounds, in remote learning environments, on OPS owned computers and digital devices, in a vehicle owned, leased or contracted by a school or the district being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee or at a school-sponsored activity or athletic event.

Compliance with the **Student Code of Conduct** is expected of all students. This **Student Code of Conduct** applies to all students attending the Omaha Public Schools. School administrators will consider student age and grade level among other factors when assigning disciplinary actions.

## Early Childhood Education Interventions & Responses

This list of Interventions is not intended to be exhaustive, nor will every OPS school have access to each intervention listed. School staff will seek to implement the intervention(s) that seem to most effectively support positive behavior for the specific student under the specific circumstances.

### Early Childhood Practices

One of the purposes of early childhood education is to assist students in developing appropriate social-emotional skills. For many students, this may be their first experience in a structured setting and they may need greater support in meeting social-emotional expectations. What may be perceived as inappropriate behavioral choices may be a deficit in executive functioning and self-regulation or could be due to toxic stress or an unmet need, e.g., hunger, sleep, feelings of safety and security. Young children need to practice, be taught and then practice self-regulation to develop memory, attention and self-control in environments where adults scaffold the child's practice of these skills. Social skill development must be embedded throughout the daily routine and throughout the entire school year to ensure generalization. The focus is on developing appropriate skills rather than punishing for inappropriate behaviors. Suspension from school is not an appropriate behavior intervention for early childhood students. Please contact the Early Childhood Coordinator for additional resources.

Early Childhood student interventions aim to teach alternative behavior, so students can learn and demonstrate safe, respectful and responsible behavior. Staff members are encouraged to try a variety of teaching and classroom management strategies which may include, but are not limited to:

- Collaborate with the student's family to discuss student strengths and strategies that are successful in the home environment and develop a communication system between home and school.
- Create and maintain stable relationships among students and staff.
- Develop social connections through play.
- Establish routines and predictability using visual schedules.
- Consistently use visual supports and modeling to teach social skills.
- Teach students how to cope with stress and self-regulate when they are overwhelmed.
- Teach students the appropriate language to meet their needs.
- Use positive language in a calm tone when redirecting students so they know what is expected, e.g., "please walk" rather than "don't run."
- Consistently reinforce the positive behaviors of the student, which will reduce the negative behaviors displayed.
- Consider sensory needs and strategies, e.g., fidget toys, alternative seating, options for quiet areas in the classroom, etc.
- Implement reinforcement systems for individual students or for the entire class.
- Collaborate with early childhood support staff, including Special Education, regarding strategies.
- Consult the building school psychologist for additional support.
- Schedule a SAT/IEP meeting to address concerns and strategies.
- Contact Kid Squad for classroom support and/or family support.
- Consider the MANDT Crisis Cycle for additional student support.
- Develop a behavior plan.

## **Behavior Response Guidelines for Grades K-6**

Suspension discipline resolutions should be avoided whenever possible when working with students in Early Childhood programs and Kindergarten.

If an elementary student must be removed from the school environment, the following short-term suspension guidelines are recommended (per event):

1st and 2nd Grade: 2 day maximum

3rd and 4th Grade: 3 day maximum

5th and 6th Grade: 4 day maximum

There may be circumstances when it is necessary and appropriate to exceed these guidelines. Final decisions regarding length of suspension will be made by the Principal. For students in grades K-6, expulsion will not be a consequence for a violation of the **Student Code of Conduct** except in cases of knowingly and intentionally possessing a firearm.

The **Student Code of Conduct** is a resource for teaching expectations and rules, rationales, and possible consequence for violations. It is designed with four levels of violations and for levels of administrative responses.

### **A note regarding level of response:**

When determining the level of response to a violation of the **Student Code of Conduct**, school staff will consider the age of the student, the student's intent, the severity of the circumstances, the level of disruption to the school environment (either during or after the violation), the repeated nature of the situation (if applicable), and any other mitigating or aggravating factors. School response will not necessarily begin at the lowest level indicated for a first offense and may result in a higher resolution than that which is noted in the level of interventions and responses.

### Interventions & Responses

This list of Interventions is not intended to be exhaustive, nor will every OPS school have access to each intervention listed. School staff will seek to implement the intervention(s) that seem to most effectively support positive behavior for the specific student under the specific circumstances.

Level 1 interventions aim to teach alternative behavior so students can learn and demonstrate safe, respectful and responsible behavior. Staff members are encouraged to try a variety of teaching and classroom management strategies which may include, but are not limited to:

- Parent(s)/guardian(s) conference or contact made
- Parent(s)/guardian(s) accompany student to school
- Implementation of classroom Multi-Tiered Systems Support for Behavior (MTSSB):
  - Expectations established and taught
  - Positive rapport/relationship
  - Re-teaching, prompting, feedback
  - Effective classroom supervision
- Verbal correction
- Collaborative Problem Solving
- Written reflection or apology
- Seat change
- Behavior card
- Functional Behavior Assessment (FBA)

#### Interventions & Responses

This list of Interventions is not intended to be exhaustive, nor will every OPS school have access to each intervention listed. School staff will seek to implement the intervention(s) that seem to most effectively support positive behavior for the specific student under the specific circumstances.

Level 4 violations have the potential to significantly impact the safety of the school environment. These violations may result in the removal of a student from the school environment due to the severity of the behavior. Such violations may involve the reassignment of a student to another school or to an alternative program that will provide additional structure to teach appropriate behavior. These interventions focus on maintaining the safety of the school community and correcting self-destructive and dangerous behavior.

Long-term suspension may be applied when it is feasible to reintegrate the student back into the school environment. Reassignment may be applied when chronic misbehaviors are present and school staff have documented efforts to intervene and support acceptable behavior. Expulsion may be applied when the student's presence at school is deemed too dangerous or disruptive for staff to maintain a safe and positive climate.

Upon return to a traditional school setting after a reassignment or expulsion, the school staff will establish a plan of support, i.e., an Intervention Plan, for the student's ongoing success at school.

Interventions for Level 4 Violations may include, but not limited to:

- Interventions from all previous levels
- Parent(s)/guardian(s) notification
- Long-Term Suspension or Reassignment
- Expulsion
  - For student in grades K-6, expulsion will not be a consequence for a violation of the **Student Code of Conduct** except in cases of knowingly and intentionally possessing a firearm.
- Referral to IEP team (students with disabilities) for manifestation determination
- Alternative educational placement
  - High School (grades 9-12)
  - Middle School (grades 6-8)
- Communication with law enforcement (as needed)

### Repeated Violations

Concerning a violation at any level, it may be relevant that the student has committed the same, or similar, violation multiple times during the same school year. In such a case, Repeated Violations may be added as a secondary violation. Repeated Violations will not be used as a primary violation or alone. There may be instances of repeated violations that warrant a higher level of response than indicated in this **Code**.

### Misuse of Computers, Digital Devices, or Network

The use of computers or digital devices, whether stand-alone or as a part of a local area network, or as part of a wide area network such as the Internet, is a privilege, not a right, and must be consistent with and driven by the educational objectives of the Omaha Public Schools. Any use that is inconsistent with these objectives is prohibited.

Computers and all associated networks, communication facilities, data storage and transfer devices, printers, scanners, peripherals, and other associated equipment or facilities (referred to as “computing facilities”) are owned by the school district. The school district exercises exclusive control over this school property, and students should not expect privacy regarding their use of any computing facilities because school district property is subject to search and inspection at any time by school officials. This search and inspection includes but is not limited to electronic mail, Internet access, network access, file storage and transfer, and any personal computing, communication, and data storage devices used in conjunction with the computing facilities. If the device is participating on the district network, it will fall under the acceptable use policy as well as the BYOD (Bring Your Own Device) guidelines defined by BYOD schools. Students are responsible for any use of computing facilities made by or through their account, regardless whether at school or at home. Students are responsible for whatever is contained in computer files assigned to them.

Students using computing facilities to access the Internet, an international computer network, are able to access computers and people all over the world. Sites exist on the Internet that contain illegal, indecent, defamatory, inaccurate, or offensive material. The Omaha Public Schools does not condone students’ access to unsuitable materials, and it maintains software designed to restrict student access to such materials. The Omaha Public Schools also recognizes that it cannot control the information on other computer systems and that it may not be physically possible to screen out all such inappropriate information and materials. All student Internet activities are subject to being monitored.

It is the primary responsibility of the parent(s)/guardian(s) to establish and convey the standards that their student should follow. In support of parent(s)/guardian(s) the Omaha Public Schools will enforce the minimum appropriate computer use standards set out below. If a

student uses a computer or the Internet inappropriately, he or she will be subject to the disciplinary actions previously stated.

Inappropriate use of computing facilities shall be defined as:

- The creation, display, access, transmission, reception, exchange or distribution of any text, image or sound that is indecent, obscene, racist, sexist, pervasively vulgar, defamatory, illegal, or that promotes harm to self or others or otherwise in violation of the Omaha Public Schools Internet Safety Policy.
- Using computing facilities to harass or threaten individuals or groups.
- Vandalizing computing facilities. This includes any **attempt to alter or destroy data of another or to endanger the integrity of a computer** or computer network or the data stored thereon (including the introduction of any virus, time bomb, trojan horse or the like), any deletion of or alteration to system files or data, and damaging equipment. The unauthorized examination or copying of files or data belonging to others is also defined as vandalism.
- Violating copyright law. This includes using unauthorized copies of software, music, photographs, movies or any other audiovisual or multimedia work and making, transmitting, receiving, exchanging and/or distributing such unauthorized copies. Violating copyright laws will be considered theft.
- Plagiarizing computer-based copyrighted materials in reports and assignments is also defined as inappropriate use.
- Gaining or attempting to “hack” or otherwise gain unauthorized access to computers, computer networks, or computer files or data. This includes, but is not limited to, exceeding the authority granted or attempting to evade security restrictions or software designed to prevent or monitor inappropriate access to the Internet or networks.
- Gaining or attempting to gain unauthorized access to a personal account or file of another individual.
- Forgery of or interference with electronic mail messages. This includes impersonation of another person while sending electronic messages, using a false or anonymous name, age, gender or identifier, and the reading, deleting, copying or modifying of any other person’s electronic messages.

- Using computers or computer networks to commit, facilitate, encourage or promote the unauthorized or fraudulent use of a credit card.
- Using computers or computer networks for a **non-educational purpose**, such as advertising, games, or commercial purposes, unless driven by learning objectives/educational objectives, etc. by the Omaha Public Schools.

- Giving a personal password to another individual or letting another individual use a personal account.
- Knowingly introducing materials forbidden by the Omaha Public Schools into the Omaha Public Schools computers and/or systems via any electronic storage media. This is defined as indecent, obscene, racist, sexist, pervasively vulgar, defamatory, offensive, or illegal material, or materials promoting harm to self or others.

Depending on the incident, Law Enforcement may be contacted.

### **Possession of Obscene or Pornographic Literature, Materials, or Electronic Images**

Students are prohibited from possessing pornographic or obscene books, magazines, pictures or material of any kind. The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a crime under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal images or photographs will be subject to the disciplinary procedures of the school district; and reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and lifetime inclusion on sexual offender registries.

## ***Additional Information***

### **BEHAVIOR RULES FOR CONDUCT OFF SCHOOL GROUNDS, NOT AT A SCHOOL FUNCTION – Policy No. 5103**

It is the belief of the Omaha Public Schools that it is important to support the total student. Expectations for our students go beyond the school day and into the community. We believe that part of learning is accepting responsibility for one's actions. Thus, the school district is extending its authority to hours and places beyond the regularly perceived boundaries when conduct off school grounds causes substantial disruption to the school environment. Our intent is to support all students in their decision-making and their development into responsible adult citizens while serving as a deterrent to certain unlawful behaviors. Students engaged in inappropriate conduct off school grounds may be disciplined as provided for in the rules governing participation in co-curricular activities.

### **BEHAVIOR RULES FOR PARTICIPANTS IN CO-CURRICULAR ACTIVITIES AND ATHLETICS – Policy No. 5103**

Students who participate in extracurricular activities are deemed to be held to a higher standard when it comes to representing their respective schools – both on- and off-campus. It is therefore critical for those students to always be mindful of their behavior, and how it reflects on their schools. A substantial disruption to the school environment is not required in order to be suspended from participation in co-curricular music/sports/clubs.

In addition to any other discipline imposed for violations of the **Student Code of Conduct** or for violations of the behavioral rules for conduct off school grounds, not at a school function, any student participating in any co-curricular music/sports/club at the time the student commits the violation will be subject to suspension from participation in said activity or activities as described below. The sanction shall be implemented upon confirmation and notice to the student by the school administration, and the sanction applies to all activities, public or private, that occur on school property or at a school function. In addition, the teacher/coach/sponsor may impose other sanctions as permitted and described pursuant to "Rules Regarding Other Conduct" in the **Student Code of Conduct**.

First Offense: 15 Activity Days upon confirmation and notice to the student

Second Offense: 90 Activity Days upon confirmation and notice to the student

Third Offense: 180 Activity Days upon confirmation and notice to the student

#### **School Building Administrators will:**

Take action based upon first-hand information. This may include contact with witnesses to the student's prohibited conduct. Prior to any decision, the administrator must confer with the student to inform the student of the charge and the available information, give the student an opportunity to tell the student's version of the incident,

#### **Disciplinary Action**

Any student engaging in behaviors off school grounds that substantially disrupt the school environment and that violate the **Student Code of Conduct** may be subject to:

- A. Emergency exclusion if the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education;
- B. Suspension by the principal for up to five (5) school days; and/or
- C. Participation in and successful completion of a district substance use screening by a qualified community provider or community counselor at the discretion of District/school administration.

weigh the evidence as to the offense, make a decision whether the student engaged in the prohibited conduct, and then inform the student of the decision.

The administrator will contact the parent(s)/guardian(s) in writing of the decision on the student's conduct. The administrator is required to report the decision to Student and Community Services.

#### **Appeal Process**

- A. Any student suspended from participation in co-curricular and athletic activities may appeal the suspension to the Student and Community Services/Hearing Officer. Any such appeal must be in writing and must be received by the Administrator's Office within seven (7) calendar days of receipt of the written notice of suspension.
- B. 2. If the student disagrees with the decision of the Student and Community Services/Hearing Officer, he or she may appeal the decision to the Supervisor of the Student and Community Services. Any such appeal must also be in writing and must be received by the Supervisor of the Student and Community Services within seven (7) calendar days of receipt of the written notice of the Administrator/Hearing Officer's decision.

#### **Rules Regarding Other Conduct**

Individual coaches, activity sponsors, or staff responsible for an activity may impose participation restrictions or eligibility restrictions for participation in co-curricular activities on students for behavior other than those listed previously provided:

- A. Students and parent(s)/guardian(s) have first been advised of the participation/eligibility rules and the types of misbehavior that would cause a student to become subject to such participation and/or eligibility restrictions.

- B. Restrictions and/or ineligibility are imposed only after the coach, activity sponsor or responsible staff has:
1. investigated the alleged misbehavior;
  2. given the student written or oral notice of the charges against the student;
  3. explained the evidence against the student; and

4. given the student a chance to tell his or her version of what happened.
5. The coach, activity sponsor or responsible staff has decided the student, in fact, violated the participation and/or eligibility rules.

The student has the right to appeal the individual coach's, activity sponsor's or responsible staff's decision, as specified above, to the school principal.

3. Repeated failures to follow school policy/

procedures, i.e., refuses direction from school administrators or check-in process

An individual in receipt of a "No Trespass or Ban/Bar Restriction" may not come onto the grounds of an issuing school. All restrictions are applicable from date of issuance through the subsequent summer and are made void, unless otherwise specified, each August. Any visitor to the schools who has been denied access or who has been asked to leave may appeal to Student and Community Services.

## PERSONAL CELL PHONE/PORTABLE DEVICE GUIDELINES FOR STUDENTS

The purpose of these guidelines is to provide a district-wide procedure regarding the use of cell phones and other Personal Electronic Devices (PEDs) by students and the consequences for noncompliance with the procedure to ensure that the use of cell phones and PEDs does not interfere with teaching and learning during the school day.

### GUIDELINES

High school students are permitted to use cell phones and PEDs only during lunch and passing periods, as well as before and after school. Elementary and middle school students shall leave cell phones powered off in their backpacks or lockers and may only use them before or after school and/or at the approval of their building administration. The use of cell phones and PEDs should not interfere with teaching and learning during the school day. The school assumes no liability for theft, loss, or damage of cell phones and/or other PEDs possessed by students on school property or held by school officials during the confiscation period.

### DEFINITIONS

When a PED and/or cell phone is confiscated the device should be turned over to the designated staff member. The individual who confiscated the item shall take reasonable measures to secure the item until such time the PED and/or cell phone is given to the building administration by the end of the day. Once the device is turned over to the designated staff member, the staff member shall take appropriate action to store the device in a secured location within the school building. Return of the device will occur according to building policy, which may include communication with the parent(s)/guardian(s) and possible disciplinary action.

**Noncompliance with Attempted Confiscation:**

Students committing repeated violations of this Procedure shall be subject to additional disciplinary action consistent with the **Student Code of Conduct**.

Students who refuse to comply with a request to turn over their cell phone and/or PED shall be subject to discipline for insubordination and such other disciplinary action consistent with the **Student Code of Conduct**.

**SCHOOL EXCLUSION AND DUE PROCESS RIGHTS**

A principal (or designee) may determine that it is necessary to exclude a student from classes. The decision to exclude is made after the principal has investigated the facts, given the student oral or written notice of the charges against the student, and provided an opportunity for the student to present the student's version.

The range of possible exclusions includes short-term suspension, emergency exclusion, long-term suspension, expulsion, or reassignment. It is the principal's responsibility to determine the type of exclusion and/or action recommended. A student cannot attend school, take part in any school function including graduation ceremonies, or be on school property during the duration of a suspension, exclusion, or expulsion.

The administrator will take action based upon first-hand information. This may include contact with witnesses to the student's prohibited conduct. Prior to any decision, the administrator must confer with the student to inform the student of the charge and the available information, give the student an opportunity to tell the student's version of the incident, weigh the evidence as to the offense, make a decision whether the student engaged in the prohibited conduct, and then inform the student of his/her decision.

In cases of recommendations for long-term suspension, reassignment, exclusion or expulsion, the student may,

upon request, have a hearing on the specific charges. Students are advised of this right when a principal decides to recommend one of the above actions. If a hearing is not requested within five school days the recommendation will go in effect. See OPS Policy No. 5101 for more information on student discipline and exclusion of students from school.

**Rights for the Student Receiving Special Education Services**

If a student receiving special education services violates a provision of the **Student Code of Conduct** resulting in a recommendation for expulsion, mandatory reassignment, or a long-term suspension in excess of five consecutive days, an IEP Manifestation Determination (Due Process) meeting shall be convened within three working days of the recommendation. The IEP team shall determine if the conduct in question was caused by, or had a direct and substantial relationship to the student's disability and will also determine if the conduct in question was a direct result of the school district's failure to implement the IEP. If a student or parent(s)/guardian(s) wishes to appeal the outcome of the IEP Manifestation Determination an appeal could be placed through the Special Education Department with the Director of Special Education.

**SCHOOL RESOURCE OFFICERS (SRO)**

School Resource Officers (SROs) are hired and trained to support the safety efforts of the Omaha Public Schools. They serve in designated schools and work alongside school administration. SROs and/or police officers are responsible for responding to criminal law matters where it is mandated by law that such offenses be referred to the criminal justice system. Absent an immediate threat of imminent physical harm and/or criminal law matters, school discipline issues are addressed by school administration.

SROs and/or police officers who witness school discipline issues shall contact school administration to address the matter. SROs should act as any school adult in redirecting minor misbehavior and may choose to de-escalate a situation using conflict resolution techniques and leverage existing positive relationships with those involved. Incidents must be referred to school personnel to determine appropriate response for violations of the **Student Code of Conduct**.

**STUDENT SEARCHES – Policy No. 5406****Drug Searches by Police/Sheriff Canine Units**

The District retains the right to utilize the services of Omaha Area Law Enforcement Authorities Canine Units in the detection of illegal drugs and/or contraband at any time, announced or unannounced at the District's schools and programs.

- A. The Superintendent or his designee (in consultation with the Office of School Safety) may request the canine unit be utilized to search all inside areas of a school building, including lockers, at a time when

students are or are not present. If a search takes place in a classroom when students are present, all will exit the room, leaving all items behind.

- B. A building principal (in consultation with the Office of School Safety) may request that a canine unit be utilized to search vehicles in a school parking lot or in other areas where student vehicles are parked during or after school hours. If a dog alerts to a student's vehicle, the student will be required to unlock the vehicle doors and trunk for internal inspection. Any refusal to unlock the vehicle will be

handled by law enforcement.

- C. Any illegal drugs and/or contraband found on school grounds, whether in a student locker, vehicle, or any other place on school grounds, will be confiscated and the student may be subject to disciplinary action specified in the **Student Code of Conduct**.
- D. The student's parent(s)/guardian(s) shall be notified should illegal drugs and/or contraband be discovered.
- E. This policy shall be included in the student handbooks. This policy shall not be implemented until parent(s)/guardian(s) and students are provided written notice of this policy.

### **Searches of School Lockers, Student Automobiles, and Students' Persons**

Student lockers, desks and other such property are owned by the school. The school exercises exclusive control over this school property, and students should not

expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. Students are responsible for whatever is contained in desks, lockers, and district owned electronics issued by the school.

Vehicles parked on school property are subject to search by the principal or the principal's designee if the principal or his or her designee has reasonable cause to believe that contraband is in or on the vehicle.

Students and their personal effects are subject to being searched by the principal or his or her designee if there is reasonable cause to believe that the student is in possession of contraband or evidence indicating that the student has otherwise violated the **Student Code of Conduct**. This includes all student pockets, purses, backpacks, and other kinds of carrying devices, and any personal computing, communication, and data storage devices. If the student does not allow the search, Law Enforcement may be called.

### **SECRET ORGANIZATIONS**

Under state law, it is "unlawful for the pupils of any public secondary school to participate in or be members of any secret organization." The Board of Education is

empowered to deny to any student who violates the law any or all privileges of the school, or it may expel such student for failure to comply with the law.

designated school official. This letter shall provide notice to the parent(s)/guardian(s) that the District may refer the absences of the child to the county attorney upon twenty days of unexcused absences. This letter shall also provide notice to the parent(s)/guardian(s) that they may request a meeting to review the collaborative plan.

### **Reporting Excessive Absenteeism to the County Attorney:**

The District may report to the county attorney when the school has documented the efforts made as required by the collaborative plan have not been successful in improving regular attendance and the child has been absent more than twenty days per year. The school shall also provide notice to the parent(s)/guardian(s) prior to the referral to the county attorney being made.

A referral cannot be made to the county attorney's office until at least 20 days; however the school may involve the county attorney at any point in the process of addressing the student's absences.

The school's Attendance Team will be responsible for implementing and monitoring this process.

**Student Attendance: STRIVE FOR 95**

Attending school on time and every day is a critical and necessary factor for student success. Showing up for school and being ready to learn has a huge impact on student academic success and their connectedness to school starting in kindergarten and continuing through high school.

STRIVE FOR 95 focuses on students missing no more than 9 days throughout the year. Students are expected to arrive on time and be engaged in learning throughout the academic day.

Attendance matters. Students who maintain the STRIVE FOR 95 goal are more likely to be on or above grade level academically, be socially and emotionally connected to the school and staff, and remain on track to high school graduation.

Ensuring students arrive on time and attend school throughout the day is everyone’s responsibility.

In addition to in-person learning, students enrolled in the Omaha Public Schools may also receive instruction at home through remote learning. Guidelines and expectations of the Omaha Public Schools Attendance Policy 5008 remain in effect for students in remote learning environments or programs.

**Student Responsibilities**

- Establish bed time and morning routines
- Understand the importance of STRIVE FOR 95 and why attendance matters
- Arrive on time
- Attend school the entire day
- Miss less than 9 days of school throughout the year

**Parent/Guardian Responsibilities**

- Establish bed time and morning routines
- Ensure your child(ren) arrive to school on time
- Encourage and acknowledge the importance of STRIVE FOR 95
- Schedule any medical or other appointments after school or on non-school days
- Report any absences to the school attendance secretary

**Teacher Responsibilities**

- Create a positive classroom culture of why attendance matters
- Encourage and acknowledge the importance of STRIVE FOR 95
- Set and monitor progress attendance goals with students
- Collaborate with school staff to address attendance concerns
- Celebrate students who are meeting attendance goals

**Administrative and Support Staff Responsibilities**

- Create a positive school culture of why attendance matters
- Encourage and acknowledge the importance of STRIVE FOR 95
- Set and monitor progress attendance goals with staff, students and parent(s)/guardian(s)
- Collaborate with school staff and families to address attendance concerns
- Celebrate students who are meeting attendance goals

**Secondary School Attendance Practices** (Middle and High School guidance)

Student attendance in school is the key to learning. The goal is for each student to be in class every day, on time and for the entire day. The responsibility for attendance is shared by the student, the parent(s)/guardian(s), the teacher, and other school staff. Although each person's performance affects reaching the goal and STRIVING FOR 95, everyone will be responsible for the student's actions and consequences for their actions will follow.

**Students:**

Secondary students have the primary responsibility to be at school on time, every day, for the entirety of the day, and to report on time to their scheduled class each period. All absences are instructional minutes missed, with the exception of a school sponsored activity, shall count as an absence from school. Work covered in each class period is important, and any time missed affects student performance.

Students who are absent more than ten days in a semester may have difficulty completing the required work at a passing level.

Students have the responsibility to make arrangements for makeup instruction and complete all work missed due to absences. Teachers should follow the Omaha Public Schools common grading practices.

Promptness to class is also very important. Practices dealing with tardiness must be in place at the classroom as well as the school level and be clearly communicated to all students.

**Parent(s)/Guardian(s):**

Parent(s)/guardian(s) have the responsibility to emphasize the importance of school attendance and see that the student is in school on time and through its entirety every day. STRIVE FOR 95 is a collaborative

effort and with parent/guardian support we can reach this goal. Parent(s)/guardian(s) shall call the school if a student is absent and shall provide appropriate written notice including doctor's notes if applicable. Parent(s)/guardian(s) have the responsibility to encourage their students to make up work. Parent(s)/guardian(s) should attend parent-teacher conferences and contact the teacher, principal or other school official if they have questions. Parent(s)/guardian(s) involvement in or attendance at school events and activities supports the importance of school and also creates better understanding and communication.

**Teachers:**

Teachers will provide the classroom climate, instruction and acceptance of all students that promote learning and good attendance. Clear expectations for student performance and activities that are essential parts of instruction must occur at the very beginning of each class as well as throughout the class period. Teachers are responsible for assisting students in completing makeup work following the student's absence.

**Administrative and Support Staff:**

Principals, Assistant Principals, Counselors, and other support staff will demonstrate a firm but caring demeanor that communicates high expectations and concern for the individual and his/her attendance. Parent(s)/guardian(s) will be informed of cumulative absences at regular intervals.

Students who are absent must be given the support, encouragement and instructional help they need to master the appropriate learning outcomes. Although any absence may lower a student's academic achievement, the goal shall be to support the student in learning with the overall goal to be mastery of learning outcomes.

**STUDENT SIGNATURE OF RECEIPT OF SCHOOL RULES**

The signature on the Receipt of Student Handbook verifies that a copy of the Student Handbook, which contains the **Student Code of Conduct** and other school rules, was received. The signature shows agreement to the accepted responsibility to know the contents of the

handbook, to understand the rules for students contained in it, and that the rules will be followed. In elementary schools, the signature is received by the parent(s)/guardian(s) of the student. In secondary schools, the student signs the Receipt of Student Handbook.

**SUMMER SCHOOL AND DUE PROCESS**

Students attending school classes during non-traditional times, such as spring and summer sessions, are also held to the requirements of the **Student Code of Conduct**. However, disciplinary consequences may be limited

to short-term suspension, long-term suspension and Expulsion from Summer School. Students have the right to a hearing if more than five days of the session are missed due to a disciplinary action.

**SURVEILLANCE CAMERAS – STUDENTS**

Surveillance cameras are located on all school buses and in various public spaces in school buildings. These cameras are present to assist school officials in providing a safe learning environment for all students. Video from these cameras although otherwise confidential student records, may be reviewed in the presence of school

officials by parent(s)/guardian(s) of students being disciplined as a result of misconduct recorded on tape. If an incident involves two or more students, then all parent(s)/guardian(s) must provide written consent to view the video. Written consent is not needed for students who are seen in the video, but who are not involved in

the incident. Video may be used as evidence in student hearings. See OPS Policy No. 3231 for more information on video surveillance.

Students should know that they have no expectation of privacy in those places where surveillance cameras are

installed and that student hearing records become public records if a student in an appeal to the Ad Hoc Student Discipline Hearing Committee of the Board of Education requests a public hearing on the appeal or files a lawsuit challenging the decision of the Committee.

---

### **TOBACCO, ALCOHOL, DRUGS**

---

The use of tobacco, drugs, alcohol, controlled substance, imitation controlled substance or abuse of non-controlled substance in the school is forbidden. The school district recognizes that student drug and alcohol abuse is a public health issue and not a school discipline, juvenile justice, or criminal issue. When students are suspected

of using or abusing drugs, school staff will collaborate with the parent(s)/guardian(s) to address the issue, and students may be referred to student assistance programs. Suspension is not considered intervention for drug use or abuse, but may be utilized in order to maintain a safe and drug free school environment.

---

### **UNAUTHORIZED VISIT TO OTHER CAMPUSES**

---

A violation committed by a student on school grounds other than those of the school to which the student is assigned or at any school sponsored activity or athletic

event shall be punished in the same manner as if the offense had been committed at the student's assigned school.
