## We made our goal!

We wanted to say a huge THANK YOU for all the support and donations for our yearly fundraiser. We were able to make it to our goal, which will provide the school with much needed support. The funds will be used for field trips, citizenship assemblies, supplies,

and much more. The prizes that the students earned through the fundraiser have been ordered and we will get them to the students as soon as they come in. Dr. Hoeck will also announce when he will spend the night on the roof. It should be soon as it is not getting any warmer and we really do not need a Icicle Principal.

### STUDENTS HAVE REACHED THE FIRST GOAL!

When students are making great choices they receive a TIDAL WAVE. After they receive the tidal wave we place them in our tidal wave tower. Once we make it to a level we will have a whole school assembly. We made our first level and to celebrate, Wildlife Animal Encounter will be visiting on Oct 21st. We are so impressed with the hard work and striving to be the best that they can be. A big

thank you goes to the Potter family for their generous donation to help with this event.
