STUDENT OF THE MONTH

Antoine Gamble

8th Grade
14 years old

Antoine is new to our school and program this year and he is an absolute joy. He participates in everything, he wants to help out with the things that need to get done in and around the club. He is always first to volunteer to help get the café back in order after meal time AND we found out just recently.... He can SING! He really blew us away with his rendition of a Chris Brown song during one of our "Karaoke Friday" moments. Antoine is a gracious young man that is very respectful and we are so glad he chose to hang out with us in Panther Pack!

"What y'all should know about me is I'm in 8th grade. And I love to play basketball I play combo guard and football I play wide receiver and defensive back. I wanna go to south for high school. And I love my family and friends. I love to sing my favorite artist is Chris Brown. Favorite rapper is King Von. I'm fourteen. My dad was in jail when my baby brother was born. And I felt sad because he never went to none of me and my brothers birthday parties. My dream car is a BMW I8. My celebrity crush is Serayah McNeil. I love playing video games like 2K, Madden, Call of Duty, Fortnite and sometimes Roblox because of my baby brother. Favorite songs by Chris brown is 'Say Goodbye' and 'This Christmas'. And Von is 'Crazy Story 1 2 and 3'. And I love 'Back in Blood' by Lil Durk and Pooh Shiesty. And last but not least I love to come to panther pack because of the teachers but mostly Preston and all the people I know that is nice and cool with me."

STAFF OF THE MONTH

Mr. Tyler Lee

Morton Middle School Alum
Physical Fitness Extraordinaire

What can we say about Tyler besides he really is a great co-worker and team member. He has the ability to surprise you with his humor and always keeps us on our toes as we never know what he will say next. Tyler is so amazingly knowledgeable about so many things in so many facets of life and he is always always always there to be a helping hand! We appreciate Tyler more than he will ever know.

"I grew up very close to this school. After graduating with an Exercise Science degree from UNO I traveled around the world before eventually returning to my roots. I've worked at Panther Pack for more than 3 years now. Morton has always held a special place in my heart. I attended here from 02-03. While here I played football under the tutelage of current teachers Mrs. Schwartz and Mr. Bockelmann. I also learned art from my eventual great friend Mr. Kitchen. I'd argue I'm much more helpful to him now than he was to me back then because I still stink at art. Art may not be my forte but that doesn't mean I'm not creative. Around Christmas time Panther Pack was giving away crazy socks and I became slightly addicted. Everyday I wear a funky pair. Come on up to me and ask what I'm wearing that day. Overall I'm very happy to be where I am. I'm grateful to be giving back to a school that has given me so much. Including a college scholarship that led me right back here. Funny how things come full circle.
