

## STUDENT OF THE SEASON

### Meet JAMES MAYFIELD

James Mayfield is a very talented and intelligent 7th grader at Morton Middle School here in Omaha, NE. He has been a part of Boys & Girls Club-Panther Pack extension for 1.5 years where he involves himself in every facet of club life. James participates in EVERY club he possibly can while excelling in school and staying humble.

James was an intricate and important part of our clubs ability to expand in different ways by being one of the first members to come online with our staff and show up daily! He has single handedly become the top prize earner for attending V.O.I.C.E. since it's inception back in April when the Coronavirus became a pandemic. James attends classes online, in person and still keeps his school grades and attendance in great standings! We applaud and love how James never shys away from anything that might be a hindrance because he is unsure as well as a champion of every zoom/virtual game we could throw at our members.

James wants our readers to know that he has four (4) pets, 2 dogs and two cats. The youngest cat's name is Spazz and the oldest cat is named Blaze. His dogs name are Spot and Hunter, who is the oldest dog. James also loves going to Colorado with his family.

We here at Panther Pack staff is always happy to see James' face as well as we love the open and honest optimism he carries with him everyday! ~Congratulations James!
