Omaha Choice Award Winner

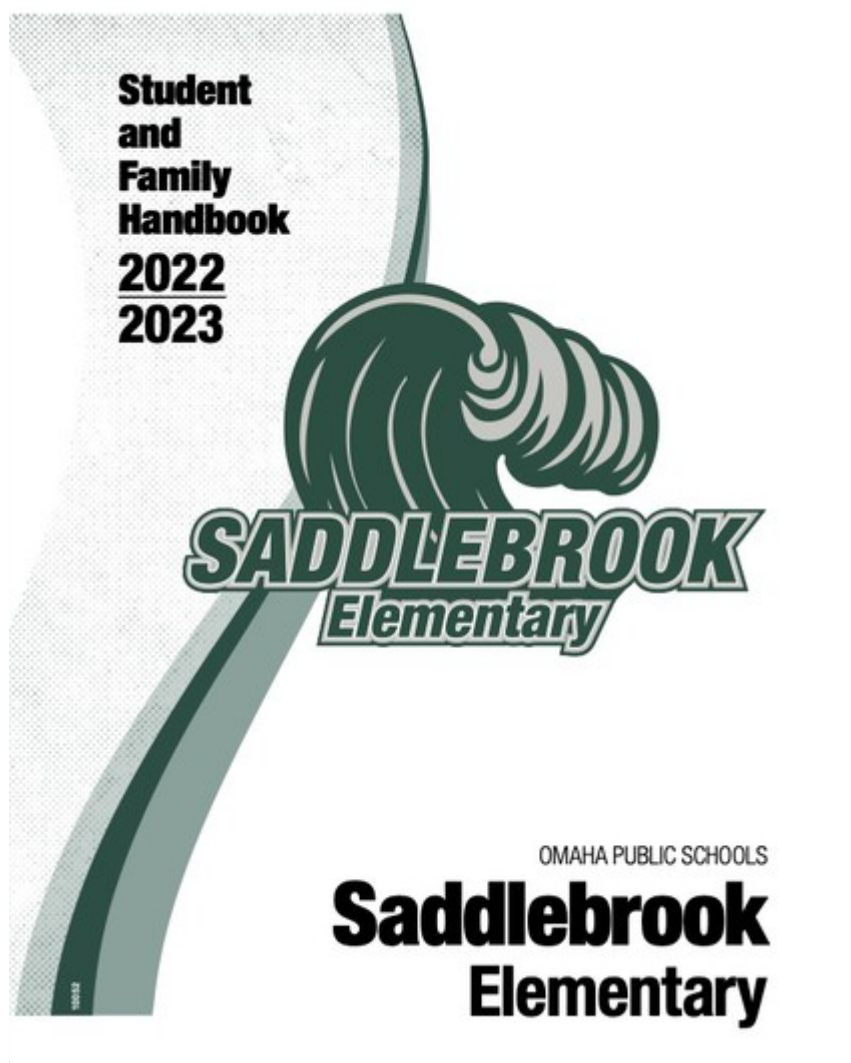

We are kind of a big deal!

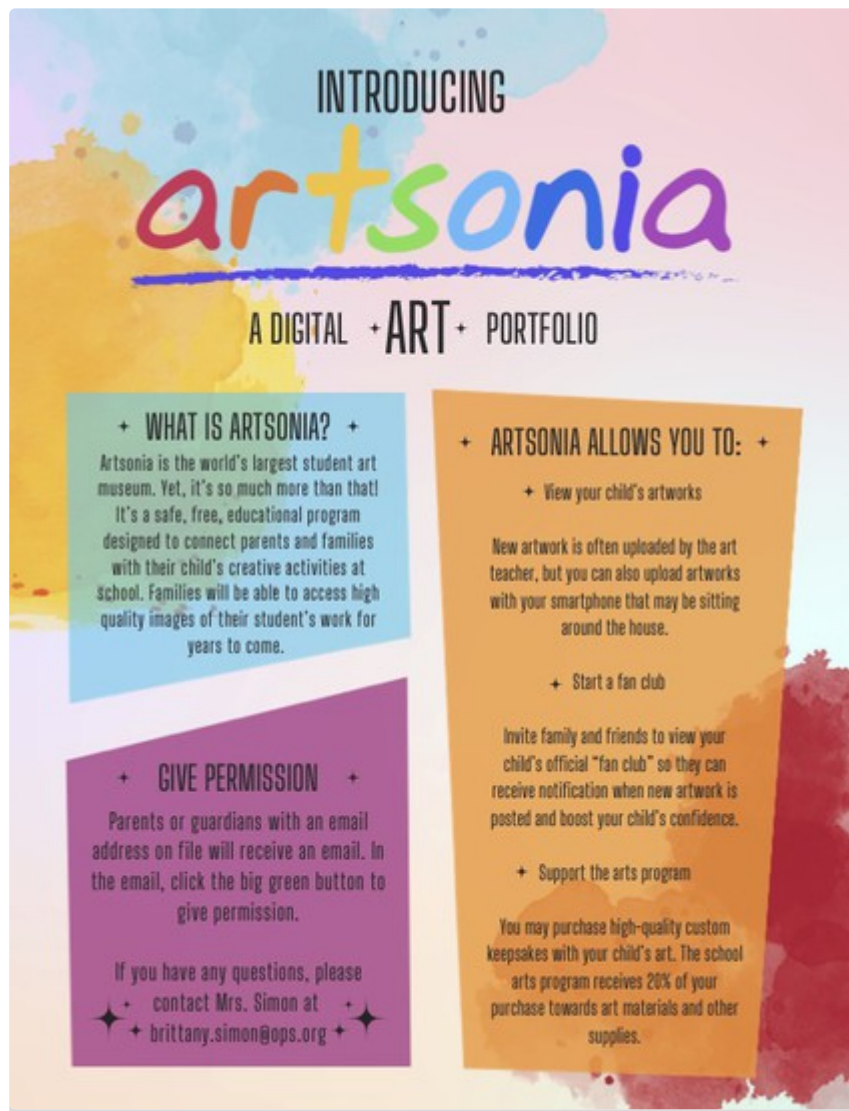

Earlier this year, Omaha World-Herald readers from across the metro area voted for their favorite local businesses and services in an online ballot. Saddlebrook Elementary was named a WINNER! Thank you to our community for recognizing what a great school this truly is!

Welcome Back 2022-23

Welcome back Green Wave! The first week and a half has been amazing. Our staff have been hard at work ensuring we are providing amazing instruction. We are excited to see everyone for a great year! This is why we are the BEST in the Midwest!

Disney Musical

At the end of the year last year, we applied for the Disney Musicals in School Grant. We are proud to announce that we received the grant. This grant will bring musicals to the school. This is a great opportunity for students to get into the arts. This opportunity will be primarily for grades 3-5, but we will have some younger grades participate as we get closer to the performance. This year we will be performing Aladdin. We will have information about try outs for parts soon. If you are interested in helping with the musical please reach out to Dr. Hoeck.

For the School

Are you wondering how to help out Saddlebrook Teachers? The school has a wish list on Amazon on activities for those rainy, cold or snowy days when outdoor recess isn't possible. Items on this wish list, will benefit all teachers at Saddlebrook!

Just scan the QR code to see the list!

Runza Spirit Night & PTA Movie Night

September 15th

Grab some dinner at the NEW Runza on 144th and Ida and make your way to Saddlebrook to watch a movie under the stars!

The feature presentation, "SUPER PETS," will begin at approximately 8:00!

Watch for more information!

Fun Run

The PTA fundraiser this year is going to be the Saddlebrook Fun Run. The students get pledges for how many laps they complete. The Fun Run will be held on October 7. The money raised from the Fun Run helps the school take field trips, pay for school resources, among other things. In your child's back pack is a form to fill out for shirts that the students will wear for the event. Please fill out the form and return to Saddlebrook.

Health Update

School Physical and Immunizations for ECSE, Pre-K, Kindergarten or new to Saddlebrook

The Nebraska Department of Health and Human Services requires each student to have an immunization record and a physical exam upon the start of school. The physical should include a vision and hearing exam. The vision exam may be completed by a health care provider or an optometrist. A complete dental check-up is strongly encouraged at this time also. Your child's physician will give you the documentation required for a school physical. Please turn in completed documentation to the Health Office.

Health Screenings Starting Soon

Following state regulations, the district completes health screenings annually on students in grades pre-K through 4th grade. The health office will begin health screenings soon. If there are any concerns found (vision, hearing, etc) you will be notified either by letter or phone call from the health office.
