

Health Services Health Requirements 7th Grade

Ensure your child's school has received the following documents prior to the first day of 7th grade:

- Copy of current immunization record (*Tdap is required for 7th grade by state law*)
- Copy of the physical (*required by state law*)
- Asthma/Allergy Action Plan, Seizure Action Plan, diabetic orders, or other emergency care plans (if applicable)
- Health care provider order(s) for any medication and/or procedure needed during school hours, including g-tube feeding, prescription and non-prescription medications (cough drops, Tylenol, Ibuprofen), etc. (if applicable)
- Note from dental provider with date of last dental exam (optional)

Additional Information:

- ✓ Make an appointment for your child's 7th grade physical exam on or after **March 1st**
- ✓ Take this checklist with you to the appointment. Ask the health care provider to make a copy of your child's entering 7th grade physical exam, immunization record, any emergency health care plans (as needed for life-threatening conditions), and any order for medications or procedures to be dispensed/completed at school
- ✓ Bring copies of health information to school prior to the start of the school year OR have your health care provider fax records to school – Attention: School Nurse
- ✓ A dental exam is strongly encouraged at this time - please ask your child's dentist to send a brief note stating your child has been seen

Required Immunizations for 7th Grade:

1 dose of Tdap

3 doses of DTaP, DTP, DT, or TD vaccine, one given on or after the 4th birthday

3 doses of Polio vaccine

3 doses of pediatric Hepatitis B vaccine, or 2 doses of adolescent vaccine if student is 11-15 years of age

2 doses of MMR or MMRV vaccine, given on or after 12 months of age, separated by at least one month

2 doses of varicella (chickenpox) or MMRV given on or after 12 months of age. *If your child has had varicella (chickenpox), they do not need any varicella vaccines. Written documentation must be provided (including month and year) of varicella disease from the parent/guardian or health care provider.*
