Office Space and PAC Rooms

The District will provide Family Support Workers with office space, when feasible, for the purpose of performing their job duties. In addition, when feasible, the office space shall not be used as a second PAC room for students who are misbehaving. If the Family Support Workers have concerns about the office space or PAC rooms at a particular school, they should first address it with the Building Principal or his or her designee. If the concern is not resolved they should bring it to the attention of the Chief Operations Officer or his or her designee.
